Detailed Discussion:

1. **Secretary Update**

Renee reviewed the meeting minutes from August Board Meeting and motioned for approval. Meeting minutes were approved and will be emailed to SSRR.

2. Treasurer Update

Treasurer RJ Cardello provided a report as of September 22, 2026. Annually, with all neighbors contributing, we make $4,525.00. Our current balance is $10,203.64. RJ highlighted that our water expenditures have significantly increased and we are nearing our water budget. Our water budget was $600, and we have spent $528.06 to date.

3. Street Safety

On 8/18/26, the traffic engineer recommendations were reviewed and approved by the City of RPV. Item was discussed at Time Stamp 8:08: Traffic Safety Committee Special Meeting.

On 9/22/26, there was a survey crew working at the front of the neighborhood and they were advised of the danger of working in the middle of the street with the blind curve and high speeds at the entrance. It was noted they did not have any traffic control in place.

Reminder of SSRR recommendations to the City of RPV:

1. Add a sign indicating tight right turn into our neighborhood coming down PVE. (greater than 180-degree turn) and add speed dots in the middle to provide a more delineated path.
2. Add a speed limit sign half-way down street.

4. Landscaping

Rainer recommended proceeding with fall plantings at cost of $800 for plants, $300 for planting mix, $200 for drip irrigation, $450 for path edging, $450 path lighting for a total of $2,200. These costs assume that SSRR neighbors will provide volunteer labor to install. Our current planned budget remaining is $2700. Following considerations were discussed:

- We have the available funds
- Do we have available power for the lighting? Yes, behind the bus stop area
- Best time for planting is fall; we plan to plant double the number of plants compared to the July 4th event.
- Concern is availability of neighbors, as the fall weekend are busy.
- Target potentially Saturday, November 7th weekend, and check neighbors who supported the 4th of July planting to support this second event.

- It is recommended to rent a plant auger because of the hardness of the soil.

5. **Security Update**

Posted the security camera policy on neighborhood board and posted sign on the pole.

6. **Finalize plans to launch the website**

The Board agreed to launch the website via an email announcement.

7. **Social Activities**

Book Club: Host this Friday, September 25th at 7:00 pm at Groskreutz house.

Halloween Trick or Treat: Saturday, Oct. 31st 3:00-5:00 pm, (if raining – it will be cancelled) Renee will send out google form.

SSRR Planting: Saturday, November 7th morning

Little Library Reminder/Encouragement: Alyssa shared how excited her son was to get a new book there. In an email blast, encourage neighbors to contribute and check out.

Bingo and Beverages: Trader Joes prize table, 2 hours – in Rainer's yard (table and chairs). We will discuss timing on next month's agenda.

Taco Truck: possible idea is to host a future fun event at Sol Vista cul-de-sac.

8. **Mission Prep**

We have the contact number for the house at top of our neighborhood. SSRR Board discussed approach to who should have access to this number. It was decided to keep the number with Board members and offer to residents at top of hill who may have real-time concerns.

Recent activity: At the beginning of September, Mike saw that the high school student had gotten away from the Mission Prep attendant.

Best practices: Contact the Sheriff and document to Department of Social Services.

Action Item: Reinforce best practices with neighbors.

9. **Adjourn the meeting**

Next meeting will be October 20 at 7 pm (unless communicated via email otherwise).

Meeting was adjourned at 8:12 pm.
