QUORUM REQUIREMENTS WERE MET (47 members of 85) AND THE MEETING BEGAN AT 7:10 P.M.

1.0 WELCOME AND INTRODUCTIONS

Bill Kallish, President, introduced himself to the Association and welcomed new members, Sam Moreale and Linda Reiger. All Members introduced themselves and stated how many years they had lived on Sunnyside Ridge Road.

Bill reviewed the activities of the Board of Directors and the social activities during the last year on Sunnyside Ridge Road. He also discussed recent issues relative to the Narbonne Avenue easement property and the intended establishment of a Care Home at 2522 SSRR.

2.0 FINANCIAL STATEMENT & ANNUAL DUES

Chuck LaFranchi reviewed the financial statement of the Association for the year 2001. He commented that the social activities had increased from the year 2000. However, since the social activities are considered important by the members in keeping the community together, Chuck recommended that the members consider a \$10 per year increase in the dues.

MOTION # 1 It was moved by Chuck LaFranchi and seconded by Midge Trost that the Annual Dues for members in the Sunnyside Community Association be \$60 per year. Motion carried unanimously.

3.0 SOCIAL ACTIVITIES FOR 2002

Discussion was held about the two social activities sponsored by the HOA each year.

3.1 Fall Social

Members felt that the Fall social should be continued. Having a barbecue and a square dance was mentioned. Since this activity involves the children/grandchildren of members, the Board was encouraged to find an activity that the children would enjoy. It will be held during the month of September, 2002.

3.2 Christmas Social

The Holiday party has been a big success, but the date always competes with other activities, which the members must also attend. A suggestion was made that we have the Holiday party after Christmas and very close to the New Year (but not New Year's Eve).

The Board will make plans early this year so that members have plenty of notice of each event. **Please return the attached Polls, and vote for your favorite activities and dates for these social events. The polls can be returned to Chuck LaFranchi with your Dues checks. Thanks.**

3.3 Hollywood Bowl

Midge Trost reported that there are still about 12 tickets available for the Hollywood Bowl trip on August 17th. This will be a great "no hassle" bus trip, up and back. This is a "Bring your own Picnic" affair and a great picnic site has been designated at the Bowl. Bring a jacket and a blanket. The program is "Rodgers & Hammerstein at the Movies." Cost is \$26.50 per person. Please make checks payable to "Sunnyside Community Association" and give them to Chuck LaFranchi.

4.0 ISSUES AFFECTING SSRR RESIDENTS

4.1 Aunt Mona's Care Home

Bill Kallish thanked the Task Force members, including Gil Rowe, Lorraine Kirk, Dave Bond & Dave Wielandt, for their support collecting facts regarding Mona McAllister's intent to establish an RCFE for up to 6 senior residents.

Members offered comments on other such care homes and, in general, the feeling is that most are well run. The biggest problem may be traffic on the street and parking issues.

In general, members felt that the Association's Protective Restrictions are being violated relative to the single-family residence clause. The Board will continue to research the issue of a violation of the Protective Restrictions and should action be required, a special meeting of the Members will be called.

A suggestion was made that a form letter be created requesting our legislators to look into how these care homes came to be defined as single-family residences, rather than as businesses. Another question is why are they exempt from City Zoning requirements and Business licenses? The Board will create and circulate a draft to the members. Bill Crawford will identify the legislator(s) to whom we should address our concerns.

4.2 Narbonne Avenue Easement Property

There is still no definitive ownership of this property on LA County records. It is still a non-taxed area noted only as Narbonne Avenue Easement. There is no Map Book and parcel number noted. Likewise, the City of RPV has not vacated their easement on this land. Since this status could change at any time, the Board will continue to monitor this property.

5.0 OTHER ISSUES

5.1 Insurance for Directors

Bill Crawford and Lorraine Kirk suggested that the Members consider Directors & Officers Insurance. Upon initial research, Lorraine reported that the cost is about \$700 per year, about \$14 per household. Members requested that Lorraine continue her research and report to the Board. When definitive costs and coverages are defined, the Board will report to the Members.

5.2 Council of HOA's

Lorraine reported that there will be a meeting at the Peninsula Center Community Room on April 24 from 7 PM to 9 PM. The speaker will be the developer of the Assisted living property located at Crestridge and Crenshaw. Board representatives will attend this meeting.

5.3 DOGS ON LEASHES PLEASE!

A request was made to remind everyone to keep their dogs on leashes when on the street for everyone's safety (as well as for the safety of the doggies).

5.4 Trees Trimmed

A request was made to remind the members to keep their trees trimmed for the benefit of everyone's views. Rafael and Alex Gonzales, who do much of the regular gardening on the street, have very reasonable tree trimming prices.

5.5 Waste Management Grants

Lorraine reported that "Beautification" Grants are available from RPV through Waste Management. These grants are awarded for up to \$3,000 for street beautification. The Board will look into this issue at its next meeting. Lorraine will find out more information at the Council of HOA meeting on April 24, 2002 and will provide details to the Board.

6.0 NEW BUSINESS

6.1 Election of Officers

Al Willard and Sam Moreale were nominated to serve a two-year term on the Board of Directors.

MOTION #2: Sue Spellacy moved and Lorraine Kirk seconded that the Members accept these nominations. Motion passed unanimously.

The meeting adjourned at 9:00 p.m.
