QUORUM REQUIREMENTS WERE MET (27 of 51 families) AND THE MEETING BEGAN AT 7:00 P.M.

1.0 WELCOME AND INTRODUCTIONS

Jon Megeff, President, introduced himself to the Association and welcomed the members. Jon reviewed the activities of the Board of Directors and the social activities during the 2002 year on Sunnyside Ridge Road. By way of introduction, Jon discussed the emphasis throughout RPV on Emergency Preparedness since 9/11/01, and he introduced Gail Lorenzen of Neighborhood Emergency Preparedness.

2.0 Emergency Preparedness

Rancho Palos Verdes is encouraging neighborhoods to organize for emergency situations. Gail Lorenzen's group, Neighborhood Watch, has been approved by the city of RPV, as the nucleus of this effort. In our own neighborhood, Sherree Greenwood is involved with organizing the schools for emergency preparedness. EP training is available through David Rosa at the Lomita Sheriff station. Gail Lorenzen stated that the first priority of each neighborhood is to nominate an EP Coordinator. The second priority is to fill out and deliver to the EP Coordinator the "Household Disaster Preparedness Survey." This survey is attached.

MOTION # 1 It was moved by Dave Bond and seconded by Jean Nelson that the EP Coordinator for Sunnyside Community Association be Sherree Greenwood. Sherree will be invited to attend all Board meetings during the 2003 year in order to plan and coordinate EP activities. Motion carried unanimously.

Sherree Greenwood would appreciate your filling out and returning the attached Surveys to her mailbox.

3.0 SOCIAL ACTIVITIES FOR 2002

Discussion was held about the two social activities sponsored by the HOA each year.

3.1 Summer/Fall Social

Members felt that the Fall social should be continued, along with the snacks & ice cream theme, and entertainment for the children/grandchildren. Although the year is moving past quickly, August or early September were favored.

3.2 Winter Social

The Holiday party has been a big success, but the date always competes with other activities, which the members must also attend. A suggestion was made that we have the Holiday party on a Sunday, late afternoon/early evening. This met with unanimous approval because many members have missed prior socials due to company Christmas parties. A tentative date of Sunday, December 14, 2003 was considered.

3.3 Other

Dave Bond raised the issue of inviting interested people who are not HOA members to participate in these social activities, namely Mr & Mrs Robert Miller who live on PV Drive East and walk their dog "Rockie" on SSRR. While invited to the activities of the HOA, interested guests would be asked to participate in the dues supporting the HOA as well.

MOTION #2 It was moved by Dave Bond and seconded by Judy Wielandt to invite the Miller's to join the HOA as social members. Motion carried.

4.0 ISSUES AFFECTING SSRR RESIDENTS

4.1 Bad auto accident on Dead Man's Curve, May 2nd

During the rain on Friday May 2nd, 2003, a car travelling up PV Drive E lost control and crossed the lane into on-coming traffic hitting the car driven by Gil Rowe travelling down the hill. Gil and Mary Rowe, Lorraine Kirk and Emily Culp were all injured in this accident and Gil's car was totalled. All four were taken to Little Co. of Mary, San Pedro Peninsula Hospital. After varying lengths of stay, we're happy to report that all were released to their homes.

This accident, once again, points up the dangers of the particular curve on PV Drive E. Members agreed that the Board of Directors should write a letter from the HOA to the City of RPV, the Lomita Sheriff (Jay Zuanich, Captain), and the Mayor of RPV requesting flashing yellow lights at both ends of this curve, and a timely response to our letter.

4.2 Beautification

The issue of whether to launch an SSRR beautification project came up relative to the RPV & Waste Management sponsored landscaping which is awarded annually. With the cut-backs in local government funding, the members requested that the new Board research this issue and report before making a decision to pursue such a project.

4.3 SSRR Directory

After the Board of Directors is elected for the coming year, the new Directory will be published.

5.0 OTHER ISSUES

5.1 E-mail addresses for all residents of SSRR

Communication is faster and easier via the internet. The members agreed that for Emergency Preparedness as well as for getting out the minutes, that e-mail is the way. The new Board of Directors requests that you submit your e-mail address (if you have one) to Dave Wielandt. We will publish e-mail addresses, if known, on the SSRR Directory. Thanks!

6.0 FINANCE

6.1 Financial Report

Al Willard delivered the financial report attached to these minutes.

The question was raised by a member (in absentia) whether using dues on social activities was an appropriate use of HOA funds. The Board researched this issue and determined that Article XIII of the By Laws permits the use of funds as approved by resolution of the Board of Directors. Each year at the Annual meeting, social activities are discussed and approved for the ensuing year by the membership. The membership feels that these social activities promote community and neighbor involvement and awareness. However, in deference to members who have concerns, those attending social activities will be mindful of costs.

7.0 ELECTION OF OFFICERS

Officers retiring this year are as follows: Jon Megeff, Judy Wielandt, Craig Ellis

The slate of new Board members to fulfill the 2003 – 2004 years are:

Ken Reiger

Dave Wielandt

RJ & Valerie Cardello

The full Board will meet and elect officers.

MOTION #3: Peggy Pages moved and Dave Bond seconded to accept the slate of officers to serve the HOA members for the years 2003 & 2004. Accepted by acclaim.

8.0 GENERAL

Welcome to our new neighbors, Kevin & Dianna Helmick at 2550 SSRR.

The meeting adjourned at 8:50 p.m.
