

Revised Minutes
Sunnyside Community Association
Annual Meeting

Tuesday, May 2, 2006
7:00 to 9:00 P.M.

Board Members Present:

R. J. Cardello	John DeGirolamo
Marty Ettington	Alberta Gill
Ken Rieger	Mike Sarullo

Members Present (22):

Bond, Cardello, Cotruffu, DeGirolamo, Ettington, Gill, Jacobson, Johnson, Kallish, Kirk, Laman, Meyer, Morreale, Murphy, Pages, Peterson, Rieger, Rowe, Sarullo, Wielandt, Will, and Willard.

Proxies Received (6):

Gisbrecht, Helmick, Parker, Spellacy, Trost, and Uriu.

Quorum Requirements were met (26 or more member families) and the meeting began at 7:15 P.M.

1.0 Guest Speaker: Barry Hildebrand: *Initiative Measure to repeal the city of Rancho Palos Verdes Storm Drain User Fee*

The Storm Drain Fee (to be included on your Los Angeles Property Tax Bill in November) passed by mail-in popular vote (City employees counted votes; voting was questionable; many feel they were misled and most felt that the mail-in ballot was not secret - some refused to vote.) Tax bill wording was confusing; discussed water quality not storm drain system update. TAX is to be continued for **30 years** (Peter Gardner wanted 5). This **TAX** is unfairly distributed on only **80% of the property owners in Rancho Palos Verdes** (as some of the residents are in the Los Angeles storm drain system). Tax is not a parcel tax; tax is based on parcel size and amount of parcel that is covered with buildings. Fees for each parcel vary greatly. The Council wants the fee (TAX) to pay off a bond they would create to fix storm drains.

There is no question that the storm drains are a problem and should be addressed. However, the new storm drain fee (TAX) is not justified nor is it the way to go. Therefore we are petitioning to repeal the user fee. It should be replaced by a fiscal management policy that truly makes public safety and infrastructure our No. 1 priority.

If you were not at the Annual Meeting and are interested in signing the petition, please contact Mike Sarullo.

2.0 Front Entrance Grant and Upgrade Report – Ken Rieger

The upgrade of our entrance has been completed -- Fencing and new electrical conduit and sprinkler lines have been added. There is \$1500 left from last year's grant which can be used as there will be an increase in water and electricity. Also, new plants will be needed throughout the year.

We are asking for another grant in August of this year. However, we need suggestions for our proposal to be submitted to the City. One suggestion was to upgrade the bus stop -- strip and paint white, white shingle roof, and a community board to post Association Notices. It would actually cost more to remove the structure than to fix it up. Our electrical and water outlets are attached and would have to be relocated.

The Board agreed to send a survey to homeowners for suggestions as to what neighborhood improvement could be proposed to RPV. Attached is a survey form soliciting ideas for the grant. Please submit your ideas to Ken Rieger as soon as possible. The dead line for our proposal to the City is August 1. **We will need the survey returned by June 18th, so that the board can determine what the project will be, get bids for the work, and submit the proposal to the city.**

3.0 Financial Report – RJ Cardello

RJ Cardello provided a financial report of the actual expenses incurred in the 2005-2006 fiscal year (attached). His report also contained a proposed budget for the 2006-2007 fiscal year, including known expenses and potential projects.

4.0 Annual Dues

The 2006-2007 Annual Dues rate remains \$60 per year for each member household. Social Members may also keep their memberships for this rate. Dues are to be paid immediately for those residents who did not bring their dues payment to the Annual Meeting. Please submit to RJ Cardello, 2274 Sunnyside Ridge Road.

5.0 Election of New Officers – Ken Rieger

Nominations were presented to the floor for Webmaster and Secretary. Alberta Gill agreed at the Christmas social to replace Valeri Cardello and the position is now open for nominations. Though his two-year term is ended, Mike Sarullo agreed to serve another term as Webmaster. No other nominations were tendered. Ken Rieger asked for a vote on the nominations and homeowners agreed unanimously.

Ken Rieger, Marty Ettington, R. J. Cardello, and John DeGirolamo will remain on the Board into the second year of their term. These four positions will be available next year. The committee agreed with the suggestion that a Nominating Committee canvas the neighborhood for interested, qualified people to be nominated for offices opening up next year.

6.0 Resident Issues – Ken Rieger

6.1 Member Directory needs updates. Please submit your additions and corrections to Alberta Gill at 2605 Sunnyside Ridge Road, Telephone No. 831-5246 or e-mail at

albertystewart @ netscape.com. Geri agreed to obtain the name of new neighbors at 2202 and Alberta will talk with the new neighbors at Culp's home.

A new edition of the Association phone directory will be published this summer and distributed via hard copy to all Sunnyside Ridge and Sol Vista Residents.

6.2 Deaths: Emily and Woody Culp.

6.3 Traffic Update: All residents are once again requested to comply with the speed limit of 20 to 25 MPH when driving on Sunnyside Ridge. Traffic has been driving at a rate entirely too fast for a residential neighborhood with blind curves and an increasing number of children. We now have two traffic officers patrolling RPV and RHE Monday through Friday and one on Saturday and Sunday. Speed bumps were suggested by members. Frank Gill made a motion to look into obtaining speed bumps. Dave seconded the motion. The motion passed. Frank Gill offered to approach the city.

6.2 Dog Poop: An ongoing problem that is becoming increasingly apparent. It is common courtesy to carry a plastic bag, remove **your** doggie's poop, and dispose of it properly.

6.3 Bark Beetle: Keep an eye on your trees. A number of trees have been affected. \$50.00 is all it costs to have your trees injected. Some of our neighbors have had success with this treatment.

6.4 Narbonne Corridor: There is still no definitive ownership to this property. It is noted as Narbonne Avenue Easement and the city has not vacated their easement on this land.. Marty Ettington agreed to approach the city once again and research the property in case the area can be put to use by our neighborhoodSlurring coating on the street is needed. City said we were scheduled for 2007 or 2008.

6.5 Neighborhood Watch: Our street captain is Sydney Bond. If you would like to make a donation or get involved with Neighborhood Watch, please contact Sydney or Dave Bond at 310-9832-3429.

6.6 Emergency Preparedness: Lorraine Kirk reported on the RPV meeting in March.

Homeland Security - being aware: Always be on the lookout in your neighborhood and feel free to call the Lomita Sheriff's Station at 310.539.1661 whenever you have a question or see something suspicious.

Identity Theft: is still the Number One crime on the Peninsula. The top cause of identify theft is mail theft.

Websites: My Space.com is popular with many teens, and can be very dangerous. They have had about 68 million hits so far. Information that kids input into this site are there forever. Keep an eye on their use of this site, and talk to your kids about not putting any personal information that a perpetrator can use against them. Giving out phone numbers and addresses is very dangerous.

7.0 The meeting adjourned around 9:00 P.M.
