

## **Sunnyside Community Association Annual Meeting**

Thursday, May 3, 2007  
7:00 to 9:00 P.M.

### **Board Members Present:**

|                 |                 |
|-----------------|-----------------|
| R. J. Cardello  | John DeGirolamo |
| Marty Ettington | Alberta Gill    |
| Ken Rieger      | Mike Sarullo    |

### **Members Present (21):**

Cardello, DeGirolamo, Ettington, Gill, Gisbrecht, Johnson, Kallish, Kirk, LaFranchi, Laman, Megeff, Morreale, Pages, Paskus, Peterson, Rieger, Rowe, Sarullo, Spellacy, Trost, and Willard.

### **Proxies Received (11):**

Barrett, Bond, Caine, Graner, Jacobson, Kim, Meyer, Murphy, Parker, Smith, and Wielandt.

Quorum Requirements were met (26 or more member families) and the meeting began at 7:15 P.M.

**1.0 Guest Speaker: Thomas D. Long, Rancho Palos Verdes Mayor:** He opened his presentation with a request for questions.

Ken Rieger asked for a discussion of the Storm Drain User Fee Initiative.

### **Some of Mayor's comments:**

- 1 Mayor supports the storm drain issue.
- 2 Millions have been spent on holes in the ground (sink holes).
- 3 Only 6% of our property taxes go to the city.
- 4 Sunnyside Ridge Road flood control project is going to break ground this year because it will be an entire rebuild.
- 5 \$200,000 per year is spent for land slippage on Palos Verdes Drive South.
- 6 Because Initiative is up for repeal, city is agreeing to shorten term of user fee to 10 years with an oversight committee.
- 7 Although the Mayor's property is not in the RPV storm drain initiative fee area, (in the Los Angeles County), he plans to pay the average fee of \$86.00 per year to the city treasury.

Why is it not a parcel fee? It would take 2/3 majority to pass. The user fee only took a majority vote.

A question was posed regarding the closure of Palos Verdes Drive North by the Water Company.

Water Company needs to put in a new water main along Crenshaw and Palos Verdes Drive North. This will cause a closure of Palos Verdes Drive North during certain hours of the day except for residents. This could cause as much as a 40% increase in water costs in the area.

Carol Morreale asked, "What exciting events are occurring in equestrian overlay-zoning decisions?"

It is still for up for debate by the city council.

## **2.0 Financial Review and 2007 Budget.**

RJ Cardello provided a financial summary and the 2007/2008 projection (copy attached). Due to an increase in costs of water and electric and an increase in general maintenance fees, the Board may consider asking for an increase in dues in the near future.

## **3.0 Annual Dues**

The 2007-2008 Annual Dues rate remains \$60 per year for each member household. Social Members may also keep their memberships for this rate. Dues are to be made immediately for those residents who did not bring their dues payment to the Annual Meeting. Please submit to RJ Cardello, 2274 Sunnyside Ridge Road.

## **4.0 Front Entrance Grant and Upgrade Report - Ken Rieger**

All electrical has been repaired at a cost of \$3005.13. Since we received a \$3000.00 grant last year, the cost to the Homeowners Association is \$5.13. Ken is trying to get flower on the North side and is considering red apple. The background for the Sunnyside Ridge Road sign has been repainted, but sign lighting is still a problem.

Peggy Pages commented that entrance looks wonderful! And the Association members needed to thank Ken for all of his efforts.

We are asking for another grant in August of this year. The board will meet later to decide how this will be used and presented to the Beautification Committee of Rancho Palos Verdes.

## **5.0 Neighborhood Watch**

Sydney Bond is the Area Coordinator for the Palos Verdes Neighborhood Watch organization. In her absence, Lorraine Kirk presented her report. Networking is still the key to success for Neighborhood Watch - watching for suspicious activity in the area and look out for your neighbors. Be aware! There are 9,000 in the Palos Verdes Neighborhood Watch and even with the Sheriff's cooperation, crime still exists. In 2005, Palos Verdes had the second lowest crime rate in Southern California and received the most Exemplary Neighborhood Watch award for 2006. If you would like to make a donation or get involved with Neighborhood Watch, please contact Sydney or Dave Bond at 310-9832-3429.

Homeland Security - being aware: Always be on the lookout in your neighborhood and feel free to call the Lomita Sheriff's Station at 310.539.1661 whenever you have a question or see something suspicious.

Identity Theft: is still the Number One crime on the Peninsula. The top cause of identify theft is mail theft.

#### **6.0 Emergency Preparedness - Ken Rieger**

Ken attended Community Emergency Response Team (CERT) training class session given by the Los Angeles Fire Department. He recommended attendance for any interested homeowners. The training course will be presented as a series of three classes on Saturday from 9:00 a.m. to 4:30 p.m.; scheduled classes are June 2, 9, and 16 in Lomita. CERT classes are free of charge. To enroll, please contact the CERT Unit at 888-CERT-939 or via e-mail at CERT@fire.lacounty.gov.

#### **7.0 Palos Verdes Council of Homeowners Association - Ken Rieger**

Membership in the PV Council of HOA's is only \$45.00 per year. Ken recommended we join. A motion to join was presented and approved.

#### **8.0 Election of New Officers - Mike Sarullo**

Mike Sarullo took over the nomination discussion, and thanked Ken Rieger, RJ Cardello, Marty Ettington and John DeGirolamo who have completed their two year term. Alberta Gill and Mike Sarullo still have one more year. Four positions were up for nominations. Of the four positions, one will be a one-year term (this year only) to facilitate half the board to be eligible for re-election each year. Though their two-year term is ending, RJ Cardello, John DeGirolamo and Ken Rieger have agreed to serve another term. Mike Paskus has agreed to join the board. No other nominations were tendered. A motion was made, seconded and approved by the homeowners to accept these nominations. Motion passed unanimously. A motion was made and seconded that the Board nominees be approved. Motion was passed.

Gil Rowe objected to people serving on the board for more than two years. He would like to see new members on the board as fresh blood needs to get involved. He suggested at last year's meeting that the board canvas the neighborhood for interested people to be nominated for office openings. The board did just that with little success. However, Mike Paskus was recruited and is now serving on the board.

Also, it was mentioned that renters can be board members.

#### **9.0 Resident Issues - Ken Rieger**

##### **9.1 Deaths: Jean Nelson (2541) and Dave Will (2208).**

9.2 Socials. Ken asked if members wished to continue subsidizing the Summer and Winter socials. Peggy Pages said it was a way to get people together, involved in the neighborhood, and meet the new neighbors. A motion was made, seconded and unanimously approved to continue subsidizing the socials.

9.3 Member Directory needs updates. Please submit your additions and corrections to Alberta Gill at 2605 Sunnyside Ridge Road, Telephone No. 831-5246 or e-mail at albertystewart @ hotmail.com. A new corrected, updated directory will be issued later this summer

9.4 Midge Trost has organized a group to go to the Hollywood Bowl on Saturday, July 14, 2007. She still has tickets available. For information and tickets contact Midge or Jack at 310-833-5827.

9.5 Street Slurry has been pushed back to 2009 or 2010.

9.6 Waste Management Pickup. As of June 4<sup>th</sup> our trash will be picked up on Tuesday and Fridays.

Also, just a reminder, trash cans are not to be left on the street 24/7. They can be put out the day before and must be removed the day after trash pickup.

9.7 The Latest Poop. It is getting bad again!! This is an ongoing problem that is once again becoming increasingly apparent. It is common courtesy to carry a plastic bag, remove your doggie's poop, and dispose of it properly.

10.0 The meeting adjourned around 9:30 P.M.
