1.0 Guest Speaker: Deputy John Despot of the Lomita Sheriff's Department:

Presentation on Emergency Preparedness and the CERT/Neighborhood Watch program.

Also in attendance from the Lomita Sherriff's Department: Deputy Lopez and Explorer Ernie Reyes.

Crime on the hill is up. The two main areas are identity theft and residential burglary. There are over 100,000 residents served by the Lomita Sheriff's Department, two 911 operators, and only 6 to 9 patrol cars. Obviously, neighborhood watch is needed and has become an important element in crime prevention. Call the Lomita Sheriff station when you see any suspicious activity: 1-310-539-1661. This number is also available on the cover of the Sunnyside Member Directory.

Identity Theft. In order to obtain your identity, all a dishonest person needs is your name, address, social security number, driver's license number, date of birth. Much of this information can be obtained from mail in your mail box. It is important that you have a locked mailbox or a lock available (in mailbox) to be placed on the mailbox by the mail person after depositing mail.

Your identity can be obtained on the internet if you just simply open an e-mail or e-mail attachment from an unknown source. When you open this e-mail, a hidden file is attached that gives the sender access to your computer and any personal information you have stored. This information is sold on the black market or used by the senders.

Residential Burglary. One of the most common burglaries is removal of items from unlocked automobiles. Also, people claiming to be solicitors and working in teams will case homes by going door-to-door attempting to sell a service, etc. They look for easy ways of entering your home through unlocked door, windows, or patio doors, etc. particularly if you are away. If you see any suspicious activity any where on the street, call the Lomita Sheriffs. Palos Verdes and San Pedro schools **do not** solicit door-to-door. A "Do Not Disturb" sign is one way of deterring this sort of activity. Contact Ken Rieger if you would like a city supplied "Do Not Disturb" sign.

Emergency Preparedness. You need to have emergency supplies to sustain your household for at least 72 hours - water, food, lighting, flashlights, and battery powered radios. All area schools have everything needed to subsist for 72 hours - emergency generators and first aid, etc. Since land lines will be inoperable, telephone service will be unavailable (land or cell). Ham radios will be the only reliable source of communication.

C.E.R.T. (Community Emergency Response Team) Training Classes. Following a major disaster, police, fire and medical professionals may not be available to meet the demand. **People will have to rely on each other** to meet the immediate life saving and sustaining needs, particularly in isolated neighborhoods that may be cut off from main roads for a period of time. The C.E.R.T. program was developed by L.A. County Fire Department to provide basic training in safety and life saving skills for the general public. The training course is free of charge and presented as a series of **only** three very worthwhile classes on Saturdays from 9:00 a.m. to 4:30 pm. **This is definitely a worthwhile program.** To find out when and where classes are available, contact the CERT unit by calling 1(888)CERT-939 or via the internet at cert@fire.lacounty.gov.

2.0 Financial Report - RJ Cardello

RJ Cardello provided a financial report of the actual expenses incurred in the 2007-2008 fiscal year (attached). His report also contained a proposed budget for the 2008-2009 fiscal year, including known expenses and potential projects. He also mentioned:

- \$540 to repair fence this year - 2 incidents.
- Received 4 years of grants and this year's was \$4500 plus \$1500 to be paid by SSRR Homeowners Association
- Considering our projected budget, our balance available will be close to zero with no available funds for increases in cost or emergencies.
- Dues will be increased by \$15.00 to \$75.00

A motion to approve the treasurer's report was made by Jack Trost. Frank Gill seconded, and the attendees agreed to approve the budget.

3.0 Annual Dues

The 2007-2008 Annual Dues rate remains \$60 per year for each member household. Social Members may also keep their memberships for this rate. Dues are to be made immediately for those residents who did not bring their dues payment to the Annual Meeting. Please submit to RJ Cardello, 2274 Sunnyside Ridge Road., before June 1st or a late fee of \$10.00 will be assessed.

4.0 Election of New Officers - Ken Rieger

Three officers two-year term ended this year - Alberta Gill, Mike Paskus, and Mike Sarullo. We had four nominees for the three positions - Grace Kallish, Bob Laman, Mike Paskus, and Mike Sarullo. A motion was presented to add an additional position to the board and accept all four nominees. Jack Trost presented the motion, Bill Kallish seconded, and the homeowners agreed unanimously.

5.0 T-Mobile, Front Entrance Improvement and Upgrade Report - Ken Rieger

A check from T-Mobile was received this week. It may be taxable at 30%. In that case, we will realize \$4200 which will go toward making the necessary landscaping improvements. T-Mobile said their work would be completed this month. Ken received several bids to redo the landscaping and sprinkler system. It was decided to go with a bid of \$6,000 to do this work which will be started as soon as T-Mobile finishes.

6.0 Resident Issues - Ken Rieger

6.1 Member Directory needs updates. Please submit your additions and corrections to Alberta Gill at 2605 Sunnyside Ridge Road, Telephone No. 831-5246 or e-mail at albertystewart @ att.net. A new edition of the Association phone directory will be published this summer and distributed via hard copy to all Sunnyside Ridge and Sol Vista Residents.

6.2 Summer and Christmas Socials: A motion to continue to subsidize the summer and Christmas socials was proposed by John DeGirolamo, seconded by Jack Trost, and homeowners agreed unanimously.

6.3 Neighborhood Watch: Since Sydney Bond, our block captain, is moving in June, Lorraine Kirk agreed to become our new neighborhood watch captain. If you would like to make a donation or get involved with Neighborhood Watch, please contact Lorraine at 310-831-1092 or LRNE@sbcglobal.net.

6.4 Bees: A swarm of bees (thousands) was seen in the Kallish garage and Riegers driveway this week. Be on the alert. If you see any bee or wasp hives on the outside of your home, call Vector Control 800-876-4766 (this number is also available on the Sunnyside Member Directory cover).

7.0 The meeting adjourned at 9:15 P.M.
