1. Guest Speakers:

- Jon Cartwright CHOA President (Council of Homeowners Associations)
 - Jon explained the history of CHOA including its original formation by members of the LA County Board of Supervisors. It started as a grass roots organization to save the LA coastline. In 1978, CHOA included 20 HOA's and focused on items such as view restoration, codes and permit issues. Jon thanked our HOA for being part of CHOA.
 - Jon then gave an overview of the Marymount Initiative (MI). The MI is an amendment to the Marymount Plan, which has been approved by the City Council. His expressed concern that the MI bypasses the City Council and City Planning by taking the issued directly to the public. Marymount has now completed the process of getting signatures to place the initiative on the ballot. He stated that the MI adds dormitories, exempts some environmental monitoring, and approves a General Plan/Zoning ordinance for Marymount allowing them to operate independently. He encouraged everyone to read the initiative themselves and formalize their own viewpoint. A link to the initiative will be put on the SSRR HOA website at www.ssrrhoa.com.
- Efrain Ramirez EDCO Waste Removal
 - Efrain explained that EDCO is a family owned and operated business. The effective start date for RPV residents is July 1, 2010. A map will be

available on the EDCO website soon and will indicate the service day for our street. The website is www.rpvrecycles.com or www.edcodisposal.com. The rates for the bins are as follows:

- 32 gallon - \$17.44/month
- 64 gallon - \$22.44/month
- 96 gallon - \$27.44/month
- Three bulky pickups are allowed per year. There are also some additional cost options for pup pickup and backyard service. Additionally, there are annual prepay discounts available as well as senior citizen discounts. Check the above EDCO websites for more details.

2. Financial Summery

- RJ Cardello provided an update on the HOA finances. The annual \$75 dues are due today. The finance report is attached to these minutes.

3. Neighborhood Watch

- Neighborhood watch means keeping an eye out in your neighborhood, notifying your neighbors when you're away and reporting strangers. The Neighborhood Watch Block Leader is Lorraine Kirk. The lower block captain for our street is Sue Spellacy, the central block captain is Bob Laman and the upper block captain is Joann Peterson. Email updates for Neighborhood Watch are sent out when events occur.

4. Resident Issues

Napaporn Nozawa - 2606

- Moved In

Brian & Jaimee Miller - 2601
-Logan 7, Brannigan 5, & Samuel 4
Bada & Junah Kim - 2606
-Ethan 5, Hunter 2, & Zoe 1

- Ken gave an overview of the social events. 48 people attended the summer social and 45 attended the holiday social. A motion was made to continue subsidizing these social events. The motion passed with all in favor.
- Ken indicated the street directory is still being worked on, and should be

completed soon. Upon completion it will be distributed to all families on the street.

- John DeGirolamo gave an update on the easement next to his house. He indicated that the horse trail easement which has a 45 degree slope next to his house keeps spilling dirt onto his driveway. As a result, he has planted red apple on the slope to keep the easement from further erosion. The equestrian group filed a complaint with the city, and the city has mandated that he remove the red apple. John's position is that he's been maintaining the easement for about seven years, and the City can consider the red apple as weeds and remove it themselves.

5. Nominations & Elections of Officers:

- The following Board Members' terms are up:

Grace Kallish
Mike Sarullo
Bob Laman

- Ken indicated that he and the board have called a number of people in the neighborhood and asked if they would consider serving on the Board. Ken also solicited new members at the meeting. No one offered! Mike Sarullo has served for 8 years, and decided not to serve another term. Grace Kallish and Bob Laman agreed to serve for another term. Without Mike Sarullo, the Board will have five members, which is acceptable.

The meeting adjourned at 9:00pm.
