

Sunnyside Community Association Annual Meeting

Wednesday, April 23, 2014
7:00 pm - 9:00 pm
Location: Kallish Residence

Board Members Present:

Jeff Glassmaker Bill Kallish Chuck LaFranchi Bob Laman Jeff/Chrissy Meisterheim
Mike Sarullo

Voting Members Present (19)

Barrett, Beffa, DeGirolamo, Gill, Kallish, Kim, Kirk, Kotowski, LaFranchi, Laman,
Luce, Madani, Mashihara/Lau, Megeff, Meisterheim, Pages, Richards, Sarullo, Will

Non-voting Members Present (Social Members and Renters)

Greenwood

Valid Proxies Received (13)

Caine, Gisbrecht, Graner, Hassanally, LaForest, Makineni, Mendenhall, Meyer,
Morreale, Ridenour, Rowe, Spellacy, Trost

Quorum requirements were met (26 or more member families) and the meeting began at 7:30 PM.

1. Welcome

2. Approval of Minutes – approved.

3. Sunnyside Ridge Trail

Our guest speakers were Lauren Ramezani, Grant Manager for the project, and Siamak Motahari, the RPV Public Works Engineer, for the project. Ara Mihranian, RPV Deputy Director of Community Development, had also planned to be present, but was unable to attend due to a family emergency. A copy of the presentation materials is available on our web site: [Sunnyside Ridge Trail – RPV Public Works 2014-04-23.pdf](#)

Lauren and Siamak presented some of the history, including the Grant application and award, project scope, projected cost, and tentative schedule. RPV has planned a network of trails in the city from the initial plan approved in 1984 through revisions in 1990 and 1991. The Grant is for improvements to the Sunnyside Segment (A-28).

The next step will be authorization of the project budget at the May 20th City Council Meeting. This will be followed by a request for proposals for a design consultant contract and an opportunity to provide our input prior to the start of developing construction plans in October.

Some highlights of the lively question and answer session following the presentation are listed below.

- There is great concern about the trail's effect on security and privacy. Specific examples cited were exposing our neighborhood to at-risk youth employed for weeding and brush removal during implementation, and the completed trail attracting and facilitating the movement of transients through the neighborhood.

- Some residents questioned the need for disabled access. Design considerations will determine if an exception to the legal requirement for reasonable accommodation is necessary.

Some questions remain:

- The trail has seen light equestrian use and occasional use by Boy Scouts in its current unimproved condition. What is the projected increased use following the improvements?
- The use of trails is limited to daylight hours (dawn to dusk). How is this enforced?

Bill Kallish encouraged residents to be involved and participate in future meetings and gave assurances that the Board will keep everyone informed.

4. Financial Review – Chuck LaFranchi

The one-time expenses for the Message Board and higher expenditures for the socials and utilities have reduced the balance. The proposed expenses for the coming year will exceed our income from dues, if current trends continue. We may be able to reduce this deficit by reducing expenses for the socials. See the attached financial summary.

5. Message Board – Chuck LaFranchi

The Message Board has been installed and was used to display a notice about this meeting. Larger letters to make the notices easier to read are coming.

6. Neighborhood Watch – Lorraine Kirk

We continue to have a very active Neighborhood Watch. Bulletins are distributed to residents by three Block Captains, Sue Spellacy (lower SSRR), Bob Laman (middle SSRR & SVL), and Joanne Peterson (upper SSRR). Details will be provided in the new Association Directory that will be distributed in May.

7. Emergency Preparedness – Bada Kim

The recently-formed Emergency Preparedness Team has started to have meetings and has some ideas for near-term actions to improve our preparedness. Watch for an e-mail or mailbox flyer in the next few weeks describing what we can do ourselves at home. The team will refresh the information gathered from residents 2 years ago. All residents need to supply information, especially regarding skills that may be useful in an emergency and volunteers to fulfill specific roles.

In the future we may want to have an emergency supplies shed, containing supplies donated by residents.

Everyone is encouraged to take the CERT training. CERT members will be identified in the Association Directory.

8. Website Recap – Mike Sarullo

Please visit our website at <http://ssrrhoa.com> to see the meeting minutes, Association documents, crime reports, contractor recommendations, and other useful information. If you have recently had some work done that you are pleased with, please visit the website and enter a recommendation. If you have any suggestions for improvements, please notify a member of the Board.

9. Parking Improvements – Bill Kallish

Our attempts to address the parking problems at Aunt Mona's Care Home have reduced the traffic hazard somewhat. The prevalence of orange cones on the other side of the street indicates there is still a parking problem there, created by employees, visitors, and delivery vehicles. The Board will investigate what additional measures can be taken.

10. Summer and Holiday Socials – Bill Kallish

We had very successful summer and holiday socials. The attendance in the winter was smaller, probably due to other holiday commitments. All who attend have a good time and enjoy the opportunity to see their neighbors. Everyone is encouraged to attend this year's socials.

11. New Board Member Nominations and Election

Members Bill Kallish, Chuck LaFranchi, Bob Laman, and Mike Sarullo have completed their terms. Chrissy Meisterheim, who has attended several Board meetings in place of her husband, gave a compelling description of what it's like to be a new member. David Barrett, Tina DeGirolamo, Clarinda Kotowski, and Chrissy Meisterheim were nominated and approved as new Board members. Since this is a larger-than-normal turnover, the termed-out members will serve as consultants for an extended period to ensure a smooth transition.

12. Open Forum

Lorraine Kirk requested a status update on upgraded Neighborhood Watch signs. Two larger high-reflectivity signs are proposed. The Board will consider possible locations at a future meeting.

13. Adjourn

The meeting was adjourned at approximately 8:45 PM and discussions continued informally as the attendees enjoyed refreshments and desserts.

Attachment: Financial Report

SSRR HOA FINANCIAL SUMMARY

Prepared April 15, 2014

	2011/2012 Actuals	2012/2013 Actuals	2013/2014 Actuals	2014/2015 Proposed
