

**SUNNYSIDE COMMUNITY ASSOCIATION
MINUTES OF THE MEETING OF THE BOARD
July 30, 2003
7:00 PM**

PRESENT:

Board Members Present:

RJ & VALERI CARDELLO
KEN & LINDA RIEGER
DAVE WIELANDT
AL WILLARD

Interested Residents:

SHEREE GREENWOOD
BARBARA & JOHN JOHNSON
LORRAINE KIRK
BILL & MARY JANE SCHWEBEL
JUDY WIELANDT

Regrets:

SAM MOREALE

1.0 Treasurer's Report

As of July 28, 2003, the Association has a current balance of \$2,903.78 in the Treasury.

2003 Association fees are now 30 days past due. The Board reviewed and approved a third notice letter that will be sent out regarding these delinquent dues. Three property owners have not yet paid:

2563 SSRR (in escrow; will contact realtor)
2202 SSRR
2320 SSRR

2.0 Maintenance of SSRR Entrance

It has come to the Board's attention that the landscaping at the SSRR entrance has not been maintained for some time. Previously, Samuel Sun had been trimming and weeding the entrance area for the Association for \$30 per month, but he has not billed the Association for services for more than two years and has not been seen at the entrance for almost that long.

If anyone has Mr. Sun's contact details, please call Al Willard. Please note that the Association may be in arrears for payment of his services. The Board decided to request a landscape maintenance bid from Rafael, the gardener who currently does work for Ken & Linda Rieger, the Kallish and the Megeff homes.

SSRR Resident Bill Schwebel will continue to maintain the electrical lights and watering devices at the entrance area. Because the coach lights have been turning on during the day, the condition of the 'electric eye' sensor that controls the timing will be inspected and replaced if needed.

3.0 Social Activities

Activity Costs: At the 2003 annual meeting, concerns were raised about HOA spending on social activities, and it was decided those organizing and attending social activities will be mindful of costs. The Board discussed cost-saving opportunities for this year's social events, such as borrowing tables and chairs from members instead of renting items, shopping at wholesale-type stores and offering members the opportunity to bring food items.

Summer Social: The date of the summer social has been set as Sunday, August 24, 2003 from 2:00-4:30 p.m. The location will be the Rieger's yard and will feature entertainment, ice cream, root beer floats & hot dogs. An invitation with additional details has been distributed. Please RSVP for this event to the Wielandts.

Attendees have the option of bringing cookies, baked goods, snacks and hors d'oeuvres to share. Items to be purchased from General Funds for this event include: root beer, canned soft drinks, bottled water, hot dogs and buns, condiments (ketchup, mustard & pickle relish), vanilla ice cream, toppings (nuts, sprinkles and sauce) and disposable paper products (cups, utensils, napkins, bowls, plates, and table cloths).

Holiday Party: The Board moved to table further discussion on planning the annual Holiday Party until their next meeting. At the annual meeting this year, the Association had considered a tentative date of Sunday, December 14, 2003 for this event.

4.0 Assignment of Elected Officers

The slate of new Board members to fulfill the 2003–2004 years are Ken & Linda Rieger, Dave Wielandt, and RJ & Valeri Cardello. Ken Rieger made a motion to elect Dave Wielandt President, which was seconded by Linda Rieger and approved by the Board. Final assignments are as follows:

President - Dave Wielandt

Vice President - Sam Moreale (no change)

Treasurer - Al Willard (no change)

Secretary - RJ & Valeri Cardello

At-Large - Ken & Linda Rieger

Special thanks to outgoing Board members for their service in 2002: Jon Megeff, Judy Wielandt and Craig Ellis.

5.0 Palos Verdes Homes Association

The Board discussed the possibility of our Association becoming a participating member of this organization, which meets monthly. The Board will contact this group for more information. Their website is www.palosverdes.com/homesassociation

6.0 Landscaping Grant from Waste Management

The deadline to apply for this year's RPV/Waste Management landscape grant has passed. In order to apply for this grant next year, the Association will need a professionally designed plan along with formal bids from contractors. The Board will further explore this activity.

7.0 Traffic Issues

PV Drive East: On May 2, 2003, several SSRR residents were involved in a traffic accident on PV Drive East at 'Dead Man's Curve.' At the annual Association meeting, members requested the Board to write a letter to city and law enforcement officials regarding this hazardous area that is not well marked or frequently patrolled. The Board decided to address this safety issue by inviting a representative from the RPV City Traffic Safety Division to an upcoming Board meeting in order to get these issues on public record and have them prioritized on the City work list. Sheree Greenwood will provide the name of this official to Dave Wielandt, as he agreed to follow-up on coordinating this meeting.

SSRR: All residents are requested to comply with the speed limit of 20-25 MPH when driving on SSRR. The Board discussed the possibility of requesting a speed limit sign from the City at the proposed meeting described above.

Street parking can pose hazards due to hills and blind spots. All residents are requested to park in their driveways or off the street.

Being owned and maintained by the City of RPV, SSRR is usually slurry coated every three years and was last serviced in 2000. The Board will request the City's road maintenance plans for our street.

It was discussed that the "Neighborhood Watch" sign was not included on the "No Outlet" signpost that was replaced after the old sign was hit.

8.0 Emergency Preparedness (EP)

At the annual meeting, the association nominated and approved Sheree Greenwood to serve as EP Coordinator for Sunnyside Community Association. At that time, all members were encouraged to complete and return the "Household Disaster Preparedness Survey" so that teams could be organized in preparation for EP and disaster training. To date, Sheree has received 17 surveys from the neighborhood. **Please bring your completed survey to the Summer Social, or drop it in Sheree Greenwood's mailbox. Thank you.**

9.0 E-mail Addresses/SSRR Directory

The 2003 Association contact directory will soon be published. **The new Board of Directors requests that you submit your e-mail address (if you have one) to Dave.** We will publish the e-mail addresses in the forthcoming directory. Thanks!

10.0 Next Meeting & Adjournment

The Board decided that they will meet after the Summer Social to discuss Emergency Preparedness, the Holiday Party and other issues at a date TBD. All Association members will be notified in advance and are welcome to attend.

The meeting adjourned at 9:10 p.m.
