

**SUNNYSIDE COMMUNITY ASSOCIATION
MINUTES OF THE MEETING OF THE BOARD
March 2, 2004
7:00 PM**

PRESENT:

Board Members Present:

RJ & VALERI CARDELLO
KEN & LINDA RIEGER
DAVE WIELANDT
AL WILLARD

Interested Residents:

DAVE BOND
MIKE SARULLO
JUDY WIELANDT

Regrets:

SAM MOREALE

1.0 Treasurer's Report

Al Willard provided an interim financial report at the meeting that showed current expenses and disbursements. Al agreed to prepare an updated report that also includes a proposed budget for 2004-2005 for the membership's consideration at the Annual Meeting.

2.0 Social Activities

Holiday Party: The 2003 Holiday party was great fun, with 67 members in attendance. Thanks to potluck food contributions, the event expenses totaled only \$651.72. Many thanks to Dave & Judy Wielandt for hosting the party in their beautiful home!

3.0 New Residents

2443 SSRR: Greetings to John & Tina DeGiralomo, who have been busy re-landscaping the front of their new home. John and Tina moved in just in time to attend the 2003 Holiday Party. Welcome to the neighborhood!

4.0 Resident News

We regret the loss of two neighbors in 2003. The Board received lovely thank-you notes in response to the flowers that were sent to both families by the Association.

5.0 SSRR Website

The Association website has a new, personalized address: <http://www.ssrrhoa.com>. Webmaster Mike Sarullo frequently updates the site with the latest news, announcements and meeting documents. Check it out!

6.0 SSRR Entrance Maintenance

The trees in our entrance were recently trimmed as part of a view restoration project funded by a homeowner on Palos Verdes Drive East. As a result of this activity, our entrance area looks better than ever.

Before the holidays, Dave & Judy Wielandt cleaned up the existing coach lights and they look great. Dave also coordinated the repair of the automatic sprinkler system in early 2004.

The Association would like to recognize to Ken & Linda Rieger for allowing new sprinklers located on the north side of the entrance to be connected to their personal water line. The Association was not able to add community-paid service to this side because of piping and paving issues.

7.0 Entrance Upgrade

This will be an agenda item for the 2004 Annual Meeting.

RPV/Waste Management Grant: The City of RPV administers an annual beautification grant program using recycling refund dollars from Waste Management. The 2004 deadline is fast-approaching and Dave Bond is in the process of putting together an application for our entrance area. If awarded, the grant could be \$3,000.

Design Plan and Endorsement: Prior to submitting the grant application, the Association needs to develop and approve a design plan for the upgrade. Because many members would like to maintain the current 'look and feel' of the SSRR entrance, Dave Wielandt has submitted a proposal to keep the existing pillars. His plan would add: Palos Verdes stone fascia in-between (replacing the ironwork), new lighting fixtures, updated street name lettering, and defined, colorful flower beds. The Board is in the process of putting together a cost estimate for the project.

Funding: The Association will discuss options for bridging any gap between the final project costs and the amount of the RPV/Waste Management grant.

8.0 Traffic Issues

PV Drive East: The Association is still interested in communicating with local authorities as a follow-up to the traffic accident that involved several SSRR residents on 'Dead Man's Curve' last May. Dave Wielandt will invite a representative from RPV City Traffic Safety Division to the Annual Meeting and will advise of their availability.

9.0 Next Meeting & Adjournment

The 2004 Annual Meeting of Sunnyside Ridge Community Association will take place on Tuesday, April 20th at 7:00 p.m. In addition to the items listed above, we will discuss Emergency Preparedness and the Summer Social. Please mark your calendar and plan to attend this important meeting.

The meeting adjourned at 8:30 p.m.
