August 3, 2004
7:00 PM**

PRESENT:

Board Members Present:

VALERI CARDELLO
KEN & LINDA RIEGER
MIKE SARULLO
DAVE WIELANDT
AL WILLARD

1.0 Treasurer's Report

Al Willard presented the Board with the First Quarter Financial Report. As of August 3, 2004, the Association had a current balance of \$8,714.80 in the Treasury. This amount includes the 2004-2005 Association dues, all of which have been paid in full.

The balance also includes the 2004 Special Assessments for the entrance upgrade project. All regular members are paid with the exception of 2 families. Because second notices were already sent out, the Board will conduct personal follow-ups on the outstanding assessments.

Al also reviewed our year to date expenses versus the full year budget that was approved at the 2004 Annual Meeting. Due to sprinkler system improvements, utility rate increases and regular gardening services, the Association's spending on electricity, water and maintenance is higher this year than in previous years. As a result we may exceed our planned budget in these areas. To reduce water expenses, Ken Rieger will adjust the timers on the sprinkler system at the entrance area. The Board will continue to look for other ways to reduce spending on maintenance and social events.

2.0 Social Activities

Summer Social: The date of the summer social has been set for Sunday, September 26, 2004 from 1:00-4:00 p.m. All regular and social members of the association are encouraged to attend. The event will be located in the Rieger's backyard at 2615 SSRR and will feature great food, entertainment and conversation. Special children's activities include a clown, games and swimming in the pool.

Items to be purchased from General Funds for this event include: 'Secret Recipe' Sloppy Joe's & buns, canned soft drinks, bottled water, ice cream treats and disposable paper products (cups, utensils, napkins, bowls, plates, and table cloths). Attendees have the option of bringing a potluck dish to share such as: fruits, vegetables, potato or pasta salads, cole slaw or green salads, chips, crackers, cheese and dips, or desserts .

There are two ways to RSVP for the Summer Social. Via the Internet, please click on the Summer Social Link at the bottom of the Sunnyside Community Association home page at <http://www.ssrhoa.com>. 2. Or, you may call Ken & Linda at 310-548-8422 or email them at LSG329@aol.com. When you RSVP, please state how many (of each) adults & children from your family will attend. If you would like to sign up to bring an optional potluck dish, please provide your preferred food assignment.

Holiday Party: The Board set the date for the 2004 Holiday party as Sunday, December 12. Last year's event was a great success, and we are hoping that even more families will be able to attend this year. Further details will be forthcoming.

3.0 Beautification Grant from Waste Management

In June the Sunnyside Community Association applied to the City of Rancho Palos Verdes for one of the 2004 Beautification Grants sponsored by Waste Management. The City received a large number of respondents for the program this year so they delayed their decision until September 15th, when the City Council will meet to approve the grants. Please check the Association website for updates on the status of the grant application.

4.0 Traffic Issues

The Board expressed safety concerns about traffic on SSRR. All residents are requested to mind the 20 MPH speed limit as indicated on the sign at the top of the street. Also, please speak to children about safety when playing in the street or on bicycles/motorized scooters.

5.0 Annual Directory

We are working on publishing the updated telephone directory. If you would like to update your information or add your email address, please contact Valeri Cardello at 310-221-0384 or email valseper@sprintmail.com. The directory will be distributed via hard copy at the end of August to all regular and social members of the Association.

6.0 Next Meeting & Adjournment

The Board decided to meet after the Summer Social to discuss the Holiday Party, entrance upgrade and other issues. Firm date TBD.

The meeting adjourned at 8:00 p.m.

Sunnyside Community Association
1st Quarter Financial Report
