Interested Resident:

Treasurer Report:

RJ Cardello provided an update on 2006 dues. We have two social members on Sol Vista - Lubetich and Laman. All have been paid except 9 homes. Two of which are new residents. Alberta agreed to send a welcome letter to 2202 and 2321. Additional notices will be to the other seven homes.

New Grant/Survey:

We are waiting for survey results before determining which improvement will be submitted to Rancho Palos Verdes Beautification Committee for the 2006-2007 grant.

Ken ran lighting conduits to uphill entrance and lighting is still not sufficient. Wiring is in total disrepair and needs replacing. This might need to be accomplished through the Grant.

Traffic Signs:

Frank Gill went to RPV Traffic Commission Office and got ruling regarding speed bumps. We do not qualify as there is not enough traffic on Sunnyside Ridge Road to warrant speed bumps. However, they will put up a sign at the entrance stating a message of our choosing. Examples are:

Drive Safely

Watch Your Speed and Drive Safely

Be Courteous and Drive Safely

Ken agreed to check with traffic commission regarding placement of a sign at entrance.

Summer Social:

The Board set the date of the summer social: Sunday, September 17th. The Board discussed several entertainment options for the Summer Social that would be geared toward children yet also fun for adults. Additional research will be done in this area in order to keep the party within budget.

A location for the event is still needed. If you are able to host the event in your backyard, please contact Ken Rieger as soon as possible at 310.548.8422.

Adjournment:

The meeting adjourned at 8:00 P.M.
