A black woman's coat was left at the holiday social. Please contact the Cardello's if it is yours.

Entrance Grant Update:

All wiring is replaced. Electrical work has been completed at a cost of \$3,005.13 to be submitted to Rancho Palos Verdes Beautification Committee. We will be reimbursed \$3,000 from the grant

2007 Annual Meeting Planning:

Ken Rieger received a letter from Thomas D. Long, Rancho Palos Verdes mayor stating he would like to attend one of our homeowners meetings. Ken is going to ask him to be the guest speaker. If he is available, Thursday, May 10 is the tentative date for the meeting. Ken and Linda offered to be the hosts again this year.

We are eligible for another grant this year (2007-2008) and discussed improvements that could be proposed to the RPV Beautification Committee. The board decided to discuss the options and ask for suggestions at the annual meeting.

It was decided the dues would remain the same this year. However, with the rising costs of utilities, it may be necessary to increase the dues next year.

Ken stressed the importance of getting proxies from people not attending. We only had a quorum by one member last year. Without a quorum, the meeting will have to be cancelled until a later date.

We will be inviting non-members to become social members and attend the annual meeting again this year.

There are several updates and corrections to be made to the Sunnyside Ridge Directory. If members have additional additions or corrections, they can be given to the Board at the annual meeting. An updated one will be distributed this summer.

Election of new officers was discussed as the terms are up of Ken, Marty, R.J. and John. We agree to talk with some of the new residents and ask if they would be interested in becoming a member.

Emergency Preparedness:

Marty agreed to prepare an emergency preparedness plan to be presented at the annual meeting in May.

Adjournment:

The meeting adjourned at 8:30 P.M.
