Treasurer's Report

RJ presented a financial summary for the 2006/2007 year through July 2007. Expenses are in line with the budget and the current balance is \$5184. We have ~~six~~ members who have not paid their 2007/2008 and they have been given two notices to that effect. The nonpayment of dues each year creates a hardship to the Treasurer. This is a volunteer position and he spends much of his time trying to collect. Therefore, the board decided that starting next year, if dues are not paid by June 1st, a late fee of \$10.00 will be assessed. This year, if dues are not paid by September 15th the late fee will be added.

Entrance Grant

The original plan was to update the bus stop, but we had to change our application since the Grant cannot be used for maintenance, The Grant Request was changed to improve the landscaping around the entrance. The following is a description of the planned work: Plant red apple along the three rail fence on the North side and install a new sprinkler zone for that area. Remove the large junipers behind the South signage wall and plant a low hedge and fill the area with red apple. Plant red apple along the South side of street, and remove ivy, weeds, and mixed ground cover, and replace it with red apple. Add a stepping stone path from the front of the bus stop around to the electric meter and sprinkler controller. The City Council should decide which grants will be approved during the September meeting, and hopefully ours will be approved.

Summer Social

John and Tina DeGirolamo (2443 SSRR) have agreed to host the Summer Social on Saturday, September 22nd. Final details with respect to entertainment and food were agreed to and an invitation prepared by the Riegers will be distributed four weeks before and a reminder 2 weeks prior.

Membership Directory

Alberta Gill is in the process of revising the Membership Directory. It will be printed and distributed by the Summer Social.

Meeting adjourned at 8:30 P.M.
