

**Sunnyside Community Association
Minutes of the Meeting of the Board
Thursday, September 9, 2010
7:00 PM**

Board Members Present:

Grace Kallish Bob Laman Mike Paskus Ken Rieger

Meeting opened at 7:02 PM.

1) Dues Update

Two families have not paid as of 9/9/10 with one unlikely to be paid due to foreclosure.

2) Directory Update

The new directory is expected by mid-October. Any changes from the preliminary version need to be sent to Ken Rieger by September 12th.

3) Architectural Committee

Historical documents show that an architectural committee was quite active in the past. Additional research and discussion is needed to determine the possible future role of such a committee.

4) Horse Trail

There is continuing friction between the equestrian committee, the City, and residents regarding the easement between the Poddatoori's and DeGirolamo's properties. The DeGirolamo's planted ground cover and miscellaneous plantings to prevent the dirt from washing down onto their driveway. Because of a complaint from a member of the equestrian committee, the City is now demanding that the plantings be removed. It was agreed upon by the Board that we would speak before the City Council if called upon by the DeGirolamo's.

5) Summer Social

All members of the HOA should have received the flyer announcing the Summer Social on September 26th 1-4 PM at the Rieger's house. Entertainment for the kids will include snow cones, swimming, and a jumper.

Volunteers for setup include RJ, Mike P., and Bob.

Volunteers for cleanup include Grace, Bob, and Mike.

Meeting adjourned at 8:27 PM.
