Minutes of the Meeting of the Board
Wednesday, November 3, 2010
7:00 PM

Board Members Present:

RJ Cardello Grace Kallish Bob Laman Roselle Paskus (for Mike) Ken Rieger

1) Financial Report

There is one member who is still delinquent of their yearly dues. RJ reported that our financial status is fine with a balance of \$7074.

2) Entrance Status

The gardener planted three big oleander plants to fill a gap.

The flood lights in the front entry were off for several days. Ken fixed the problem and asked for feedback on a possible improvement. Currently, the flood lights are controlled by a photocell and timer. They come on sundown and go off at about 2:30 AM. Ken suggested to take the timer off and put the floodlights on photocell so that the lights are on at all times during the night for emergency purposes. The suggestion was approved by the board. Ken also added an extra outlet in the front entry for Christmas lights decor during the holidays.

3) Directory Update

Copies of the directory are already printed and will be delivered along with the winter social invitation.

4) Architectural Committee

Ken provided copies of the relevant portions of the Sunnyside Community Association "Declaration of Protective Restrictions" document as background for future discussions.

5) Winter Social

The Christmas party will be December 12, 2010 at Ken and Linda Rieger's residence from 4 to 8 pm. It will be an all adult gathering, so please find a baby sitter if you have little children.

Following tradition, the main dish will be Turkey and Ham cooked by Linda and Ken. The rest will be on a potluck basis. The invitation will request the specific potluck item, making it easier to ensure sufficient quantity in all categories.

The budget for Dory (clean up) is \$125.00
