

**Sunnyside Community Association**  
**Minutes of the Meeting of the Board**  
**Monday, July 13, 2011**  
**7:00 PM**

**Board Members Present:**

Grace Kallish   Bob Laman   Brian Miller   Rose Paskus (for Mike Paskus)   Jaime Potts

Meeting was called to order at 7:00pm

**1) Bank Account Transfer**

Transfer of the account to the newly elected HOA President and the new treasurer, Jaime Potts. Brian and Jaime are going to the Bank for the transfer from RJ's name to the present treasurer.

**2) Parking at Aunt Mona's**

Grace was talking about the neighborhood concern regarding the parking of the employees of Aunt Mona's facility. Aunt Mona's promised to do something about this issue. They will try not to park too close to the road or to someone else's property.

**3) Annual Fire Inspection**

The Fire Department came to check the canyon to see if there is a fire hazard of dried out grasses or tress that will cause fire during the summer.

**4) Summer Social**

Suggestions for the venue: at our new President, Brian Miller's house or at the cul-de-sac at the bottom of the street where Emanuela Madani lives. I think this is a good area to have the summer social because it is located at the end of the block. Residents can just drive and park their car on the street and we'll have a change of venue for once. Emanuela will coordinate with the rest of the residents regarding this matter.

Grace is in charge of the drinks and ice.

Jaime is in charge of hamburgers and hotdogs. This is the main course of the party. The rest will be potluck.

Appetizer, dessert or anything you would want to contribute, please do so.

The summer social party will be 1-4 pm.

Grace will send an E-vite to the neighborhood for the summer social. The targeted date will be found in your E-vite. She will also distribute the final invitation to mail boxes in the 3rd week of August.

As usual, we will have teams for clean up and set up. You can call Bob or Brian if you want to volunteer for either of these teams.

The meeting was adjourned at 8:00 pm.

#### Post-meeting update

The city has several requirements for a block party. An Encroachment (use of the public street) Permit is required from the Public Works Department. The cost is based on the distance from the city facilities and would be about \$200. In addition, liability insurance is required from the City Manager's office at a cost of \$122.46. If alcoholic beverages are served, there is an additional insurance charge of \$125. The addition of these fees would roughly double the cost of the event.

Grace and Bill Kallish volunteered to host the Summer Social since the kids really like to swim at this event!
