Board Members Present: Bill Kallish Chuck LaFranchi Bob Laman Brian Miller Mike Sarullo

Board Members Not Present: Emanuela Madani

1) Finances

4 HOA members have not paid their annual dues.

The board approved Brian and Chuck as authorized signers on the HOA checking account.

2) Web Site

Mike reported that the old web site has now been replaced with a new version based on WordPress. The new version will be much easier to maintain, allowing multiple users to update and add content. Updating and expanding the current content is in progress. Additions are expected to include household hints suggested by residents, contractors recommended by residents, and additional emergency preparedness information.

3) Summer Social

Sunday, September 16th was selected as the date for the social. Bill volunteered to host the social again this year. Responsibilities were divided as follows: Brian - chairs, tables, and umbrellas; Mike - food (burgers, dogs, condiments); Bob - drinks. Additional details will be worked out as the date approaches.

4) Directory and Map

The updated directory and map will be distributed to mailboxes with the notice of the Summer Social.

5) Meeting Minutes

As an improvement to the current process of simply posting the minutes on the web site, we will give members an option of receiving the minutes via e-mail or hardcopy delivered to their mailbox.

6) Bulletin Board

The possibility of installing a bulletin board near the entry was discussed. It would be used for posting meeting and event reminders readable from our vehicles when entering or leaving the street. Details will be worked out in future meetings.

Tuesday, July 31st at 6:30 PM - Emergency Preparedness (invitation to Lorraine Kirk)

Tuesday, August 21st at 6:30 PM - Finish planning for Summer Social
