1) Directory

Bill obtained the latest draft and HOA thumb drive from Brian. Bob updated the draft, converted it to our standard tri-fold format, and distributed the resulting draft to the Board for review. Bob will generate a print-ready PDF file and obtain copies for distribution. Bill will distribute the copies. Bob will send a PDF file of the directory to the e-mail addresses of all residents in the directory.

2) Entry Decoration for Winter

Do Emanuela or Brian have any plans?

3) Winter Social

Peggy Pages has volunteered to host the Winter Social on January 20th from 4 to 8 PM.
Thank you, Peggy!

Invitations will be via Evite "now", composed and mailed by Mike, and hardcopy closer to the event. The invitation will include a request for side dishes, appetizers, and desserts, a reminder that this event is for adults only, plus a request for volunteers to assist in setup and cleanup. RSVP will be to Bob by January 6th. Bob will send Mike a list of e-mail addresses to use for the Evite.

As in the past, we will hire help (Dori or Lordis) to assist with cleanup.

Entertainment ideas are needed.

The traditional raffle will include gift cards to restaurants and Starbucks plus movie tickets.

4) Winter Social Shopping Trip

Bill will take an inventory of items remaining from previous events.

Bob will distribute a draft shopping list via e-mail to the Board and we'll refine the list via e-mail.

Shoppers will meet January 19th 9:00 AM at the Kallish's.

5) Future Meetings

Thursday, January 10th (tentative) in the evening at Peggy Pages' house to plan logistics for the Winter Social (tables, chairs, piano?, beverage area, buffet area, etc.).
