1) Winter Social

The purpose of the meeting was to plan logistics for the Winter Social at Peggy Pages' house. It will be a splendid venue with plenty of space, including multiple seating areas, a two-level buffet area, a beverage area, and a piano.

In addition to the chairs at the dining table and the table in the den, Peggy has 26 folding chairs. Chuck will provide a table and 8 additional chairs. Bob has 6-foot folding tables, if needed.

Peggy has a 30-cup coffee maker and plenty of coffee. Bob will bring a 3-liter hot pot to provide hot water for tea.

Setup for the Social will start at 2:30 PM on Sunday, January 20th.

2) Winter Social Shopping Trip

Bill will take an inventory of items remaining from previous events.

Bob will distribute an updated draft shopping list via e-mail to the Board and we'll continue to refine the list via e-mail.

Shoppers will meet January 19th 1:00 PM at Smart & Final.

3) Future Meetings

Tuesday, February 12th 6:30 PM at the Kallish's. We will start planning for the Annual Meeting. Also, Lorraine Kirk will share information about Neighborhood Watch and her perspective on Emergency Preparedness.
