

Sunnyside Community Association
Minutes of the Meeting of the Board
Tuesday, March 19, 2013
6:30 PM

Board Members Present: Bill Kallish Chuck LaFranchi Bob Laman Mike Sarullo

Board Members Not Present: Emanuela Madani Brian Miller

Invited Guests: None

Interested Residents: None

1) Local Issues

A complaint was received about poor lighting of the entry. Following the formal portion of the meeting, Mike and Bill examined the lights and found several bulbs that appeared to be burned out.

⇒ Mike will replace the bulbs. Hopefully, that will fix the problem.

Occasional speeding by some residents is a continuing problem. Following the discussion at the last meeting, Mike looked for a sign near the entry and found a winding road warning sign with a recommended speed of 20 MPH that is currently obscured by trees. We will mention the observation that some cars travel at excessive speed at the Annual Meeting with the specific speed guideline.

⇒ Bill will ask Rufino to trim the trees to improve the visibility of the sign.

Improvement of the parking situation at Aunt Mona's has been discussed with RPV Public Works. The proposed improvements within the storm drain arc chevron markings on the pavement to indicate no parking areas at the start and end of the curve and marking of up to six parking spaces in the remainder of the curve. The improvements must be approved by 60% of the residents. A petition will be circulated at the Annual Meeting.

⇒ Bob will create the petition, including a diagram of the proposed changes to be provided by RPV Public Works.

⇒ Bob will discuss the proposed changes with Mona McCallister prior to the Annual Meeting.

2) Annual Meeting: Wednesday, April 24th at the Kallish's 7-8 PM

Preliminary Agenda:

Approval of Minutes

Financial Review, Dues List, Message Board - Chuck LaFranchi

- ⇒ Chuck will bring 8 folding chairs.
- ⇒ Mike will bring the sign-in sheet.
- ⇒ Bill will ensure that we have water, coffee and tea for the meeting.
- ⇒ Bob will ensure that we have the following documents for the meeting: agenda handout, 10 copies of the minutes of last year's Annual Meeting, a small number of directories.
- ⇒ Bill will check to see if he has any extra directory copies.

3) Message Board

Using some additional web sites provided by Mike for vendors that are able to ship their products, Chuck located a message board that is large enough to be read from a car on the street. Following the formal portion of the meeting, we walked to the top of the street to examine possible locations for the message board. Locations deemed feasible in this initial survey will only be visible to cars traveling up the street. Additional options, cost, and location will be discussed at future meetings.

4) Future Meetings

Wednesday, May 8th 6:30 PM at the Kallish's. We will welcome the new members and select roles.

The meeting was adjourned at approximately 8:05 PM.
