

Sunnyside Community Association
Minutes of the Meeting of the Board
Thursday, July 11, 2013
6:30 PM

Board Members Present: Bill Kallish Chuck LaFranchi Bob Laman Jeff Meisterheim
Mike Sarullo

Board Members Not Present: Jeff Glassmaker

Invited Guests: None

Interested Residents: None

The meeting started at 6:38 PM.

1) Old Business

Parking Improvement at Aunt Mona's - Mona McCallister objected to the street marking of parking and non-parking areas and discussed alternatives with RPV Public Works. Her preferred solution of placing boulders in the non-parking areas is now being tested. Please notify a board member of any remaining problems.

Neighborhood Watch - Our donation of \$100 to RPV Neighborhood Watch was returned. Since Neighborhood Watch relies on individual involvement, donations by individuals are preferred. Individual donations should be submitted to your Block Captain (Sue Spellacy, Bob Laman, or Joanne Peterson).

Message Alert System - To ensure that alerts can be sent when they are needed, several board members and/or our Neighborhood Watch representatives will be authorized to send alerts. For ease of use, an addition to our web site for sending alerts is proposed. This may require a subscription to a message service.

⇒ Jeff M. will create the form and send an e-mail informing residents of the form on the web site.

⇒ Jeff M. and Mike will investigate messaging services.

Entry Message Sign - Jeff M. explored signs in other neighborhoods for comparison. Dapplegray has a board for posting notes only. Rolling Hills has a sign similar to the one proposed for our neighborhood, located just as you are leaving the gated area. The proposed sign is 52 inches wide by 40 inches high with black 2-inch letters on a white background. To test size, readability, and location, a simple mock-up will be created.

⇒ Bill will purchase white poster board in the required size.

⇒ Bob will print test messages to be attached to the poster board.

Emergency Preparedness - Mike distributed a FEMA document that was reviewed briefly at the meeting and approved for posting on the web site.

⇒ Bob will send Mike an additional document that was reviewed and approved.

- ⇒ Mike will post the documents to the web site.
- ⇒ Mike will send an e-mail message encouraging residents to check the emergency preparedness information on the web site and to contact a member of the board if they would like to volunteer.

Contractor Recommendations - Mike presented his proposal for a simple contractor reference form to be added to the web site. The required information is the type of work, business name, business phone, and the most recent year the business was used.

- ⇒ Mike will add the name of the person recommending the contractor to the form and will proceed with implementation.

2) New Business

Summer Social - The Summer Social will be held on Sunday, September 15th from 12 to 3 PM at the Kallish's. Several board members have attended events where fajitas were cooked on-site by Taco Man or a similar provider. This type of change will hopefully generate some additional interest.

- ⇒ Bill will get additional detail on Taco Man or the equivalent.
- ⇒ Jeff M. will seek a magician to provide entertainment for the kids (and adults).
- ⇒ Bob will update (add ice) and distribute the shopping list.

3) Ongoing Action Items

a) **Directory Update** - Assigned to Bob. Due 1/2014.

- i) Add Neighborhood Watch Block Captain for each of our three Neighborhood Watch zones (1=lower, 2=middle, 3=upper).
- ii) Add the Neighborhood Watch zone for each residence.
- iii) Update for new neighbor at 2331
- iv) Update for new neighbor at 2414

4) Future Meetings

Tuesday, August 6th 6:30 PM at the Kallish's. We will work out the remaining details for the Summer Social.

The meeting was adjourned at approximately 8:15 PM.
