

Sunnyside Community Association
Minutes of the Meeting of the Board
Tuesday, August 13, 2013
6:30 PM

Board Members Present: Bill Kallish Chuck LaFranchi Jeff Glassmaker Bob Laman
Mike Sarullo

Board Members Not Present: Jeff Meisterheim

Invited Guests: None

Interested Residents: None

The meeting started at 6:45 PM.

1) Old Business

Entry Message Sign - To test size, readability, and location, a simple mock-up was created and temporarily setup just above the bus stop. The proposed size of 52 inches wide by 40 inches high with black lettering on a white background provides good contrast and sufficient message space. The 2-inch letters tested were too small to be read easily from a vehicle. Increasing the letter size to 3 inches will improve readability and still allow sufficient message detail.

- ⇒ Bill will inform Jeff M. of the test results and the Board's decision to proceed.
- ⇒ Jeff M. will order the sign, as required, to allow installation by Rufino.

Message Alert System - A Jeff M. draft e-mail message informing residents about the message alert system was reviewed. Only residents electing to participate will provide their cell phone numbers. How the numbers will be provided needs to be explained. The numbers will only be visible to Board members.

- ⇒ Jeff M. will create the form for entry of the numbers on the web site.
- ⇒ Jeff M. will revise and send the draft e-mail message.
- ⇒ Jeff M. and Mike will investigate messaging services.

Emergency Preparedness - Mike has posted the documents reviewed at the last Board meeting on the web site.

- ⇒ Mike will create a new e-mail address (board@ssrrhoa.com) to be used for messages sent from the Board to residents.
- ⇒ Bob will send Mike resident's e-mail address changes since the last directory.
- ⇒ Mike will send an e-mail message encouraging residents to check the emergency preparedness information on the web site and to contact a member of the board if they would like to volunteer.

Contractor Recommendations - Mike has implemented his proposal for a simple contractor reference form on the web site. If you have recently had some work done that you are

pleased with, please visit the web site (<http://ssrrhoa.com/?p=342>) and recommend the contractor to your neighbors.
