Minutes of the Meeting of the Board
Tuesday, October 1, 2013
6:30 PM

Board Members Present: Bill Kallish Bob Laman Jeff Meisterheim Mike Sarullo

Board Members Not Present: Jeff Glassmaker Chuck LaFranchi

Invited Guests: None

Interested Residents: None

The meeting started at 6:40 PM.

1) New Business

Mail Theft - An ATM card was recently stolen from a mailbox on SSRR. Mail theft, possibly leading to identity theft, is increasing. One way to reduce exposure is to reduce the amount of mail received through the use of electronic statements and electronic payments. Another option is the use of a locking mailbox, as defined by the Postal Service in USPS-STD-7B: "Locked mailbox designs shall have an effective means to ensure that incoming mail is only accessible by the customer. The use of locks on Contemporary and Traditional mailbox designs is prohibited. Manufacturers must include the following statement in their instructions to customers: IT IS IMPORTANT TO NOTE THAT IT IS NOT THE RESPONSIBILITY OF MAIL CARRIERS TO OPEN MAILBOXES THAT ARE LOCKED, ACCEPT KEYS FOR THIS PURPOSE, OR LOCK MAILBOXES AFTER DELIVERY OF THE MAIL." Locking mailboxes may be purchased online or at many local stores, including Lowe's, Home Depot, and Okell's Fireplace (134 E. PCH, Hermosa Beach).

Mail Delivery Problems - Several residents have complained about misdeliveries. Chuck La Franchi investigated and provided the following report.

"I met with the supervisor responsible for our mail delivery, and specifically our current carrier. He has received numerous calls on the 800-275-8777 number and has been working to get our current carrier to retire, but without success. He is working the bureaucratic process to try and replace him, but without any viable option. He has received calls from Rocking Horse, Bronco, Coach, Sunnyside Ridge Road and other route streets with the same complaints we have. His hands are pretty much tied with the current carrier's age being a deterrent to action, but the complaints do help, so keep calling. If you are at the post office ask for him and tell him about your service, or lack of it. I think more contacts will help resolve the situation."

Sunnyside Ridge Trail - The City Council recently approved a staff request to submit a Sunnyside Ridge Trail improvement proposal to the Los Angeles County 2013 Trails Grant Program for the Fourth Supervisorial District (Don Knabe). The trail is for equestrian and pedestrian use only and occupies an easement from Sunnyside Ridge Road between 2443 (DeGirolamo) and 2477 (Poddatoori) to Palos Verdes Drive East. The cost of trail

improvements should not exceed the \$300,000 maximum amount of the grant. If the County approves the grant and the City accepts, there will be an opportunity for us to express any concerns, ask questions, and provide input on the design.

2) Old Business

Entry Message Sign - The sign will be 52 inches wide by 40 inches high with 3-inch black lettering on a white background and will include matching mounting posts.

⇒ Jeff M. will order the sign, as required, to allow installation by Rufino.

Message Alert System -

⇒ Jeff M. will create the form for entry of the numbers on the web site.

⇒ Jeff M. will resend the revised draft e-mail message informing residents about the message alert system to the Board.

⇒ Jeff M. will create a draft process document describing how the system will be used and who will be authorized to issue alerts.

⇒ Jeff M. and Mike will investigate web-based text messaging services.

Emergency Preparedness - Mike has created a new e-mail address (board@ssrrhoa.com) to be used for messages sent from the Board to residents. The new address was used to distribute a message referring residents to the HOA website for some helpful information on emergency preparedness and announcing the desire to form a committee of interested residents to promote preparedness and coordinate related activities for the neighborhood. Margie Richards has expressed her interest in serving on the committee. Two or three additional volunteers are needed. Please notify a Board member if you are interested.

Contractor Recommendations - The website currently has 6 recommendations. If you have recently had some work done that you are pleased with, please visit the website (<http://ssrrhoa.com/?p=342>) and enter a recommendation. If you are looking for a contractor, check the website for a recommendation from your neighbors.
