Board Members Present: Jeff Glassmaker Bill Kallish Chuck LaFranchi Bob Laman
Chrissy Meisterheim (for Jeff) Mike Sarullo

Board Members Not Present: None

Invited Guests: Bada Kim

Interested Residents: None

The meeting started at 6:40 PM.

1) Old Business

Mail Theft – Bada Kim provided additional details on the recent theft of an ATM card from their mailbox. Their Wells Fargo online banking account was hacked. The hackers requested ATM card replacements and stole them from the mailbox when they arrived. The hackers changed PIN numbers, transferred funds among accounts, then made purchases at several local merchants. Fortunately, the bank covered all charges. A locking mailbox will help to prevent such crimes.

Sunnyside Ridge Trail – A grant proposal has been submitted for improvements to the trail segment from Sunnyside Ridge Road between 2443 (DeGirolamo) and 2477 (Poddatoori) to Palos Verdes Drive East.

9/3/13 – City Council approved the grant proposal

11/18/13 – response to the proposal is expected by the end of the year

Entry Message Sign – The sign will be 52 inches wide by 40 inches high with 3-inch black lettering on a white background and will include matching mounting posts.

⇒ Jeff M. will order the sign, as required, to allow installation by Rufino.

11/12/13 – the order is being finalized

Message Alert System – Mike mailed a form to the residents for them to enter their cell phone numbers if they would like to receive alerts.

⇒ Jeff M. will resend the revised draft e-mail message informing residents about the message alert system to the Board.

11/12/13 – Mike's e-mail with the sign-up form contained all the necessary information.
Closed.

⇒ Jeff M. will create a draft process document describing how the system will be used and who will be authorized to issue alerts.

⇒ Jeff M. and Mike will investigate web-based text messaging services.

11/12/13 – No free services were found. The Board agreed that the benefits of the service would justify paying a small fee.

Emergency Preparedness Committee - Margie Richards and Bada/Junah Kim have expressed interest in serving on the committee. Two additional volunteers are needed. *Please notify a Board member if you are interested.*

Contractor Recommendations - The website currently has 6 recommendations. *If you have recently had some work done that you are pleased with, please visit the website (<http://ssrrhoa.com/?p=342>) and enter a recommendation. - ⇒ Mike will determine what signs are available
- ⇒ Bob will check with the city on sign restrictions
- ⇒ Bill and Bob will research security cameras

Kim's Solar Project - The Kim's are planning to have a small solar array installed at the rear of the house, on a portion of the roof facing southeast. The contractor is Varengo Solar. The project was approved, pending receipt of corrected paperwork from the vendor.
