1) Old Business

Sunnyside Ridge Trail – A grant proposal has been submitted for improvements to the trail segment from Sunnyside Ridge Road between 2443 (DeGirolamo) and 2477 (Poddatoori) to Palos Verdes Drive East.

9/3/13 – City Council approved the grant proposal.

11/18/13 – response to the proposal is expected by the end of the year.

12/10/13 – The grant has been approved in the amount of \$300,000.

Entry Message Sign – The sign will be 52 inches wide by 40 inches high with 3-inch black lettering on a white background and will include matching mounting posts.

12/10/13 – the sign has arrived in LA. Delivery is being scheduled.

⇒ Bill will schedule a meeting to verify the proposed location of the sign

Message Alert System – At approximately 7 PM on November 24th a stranger was spotted on the lower portion of Sunnyside Ridge Road, acting suspiciously. This type of activity is a good candidate for a text message to residents when the text message system becomes fully operational.

If the system is ready, detailed information, including how to sign up, will be provided at the Winter Social.

⇒ Jeff M. will create a draft process document describing how the system will be used and who will be authorized to issue alerts.

⇒ Jeff M. and Mike will investigate web-based text messaging services.

11/12/13 – No free services were found. The Board agreed that the benefits of the service would justify paying a small fee.

12/10/13 – Mike setup a service for evaluation by the Board that is funded by advertising revenue or a fee of \$10/month.

Emergency Preparedness Committee – Margie Richards and Bada/Junah Kim have expressed interest in serving on the committee. Two additional volunteers are needed. *Please notify a Board member if you are interested.*

- ⇒ Chrissy Meisterheim will add a wood floor contractor recommendation
- ⇒ Bill will add a painter, rug cleaning, tile cleaning and sealing recommendation

- ⇒ Bill will setup a meeting at Peggy's to review logistics for the Social
- ⇒ Bill will check the inventory of items on hand
- ⇒ Mike will send the evite
- ⇒ Bob will print copies of the evite for distribution
- ⇒ Bill will distribute the copies

Crime - In response to increased crime on the street, the Board is considering improving the signage at the entry of our neighborhood and possibly adding a security camera. Two 18"x24" Neighborhood Watch signs are proposed.
