Sunnyside Ridge Trail - A grant for improvements to the trail segment from Sunnyside Ridge Road between 2443 (DeGirolamo) and 2477 (Poddatoori) to Palos Verdes Drive East has been approved in the amount of \$300,000.

⇒ Bob will invite a representative from the RPV Planning department to our Annual Meeting to discuss the status of their plans and how they will engage our community for feedback

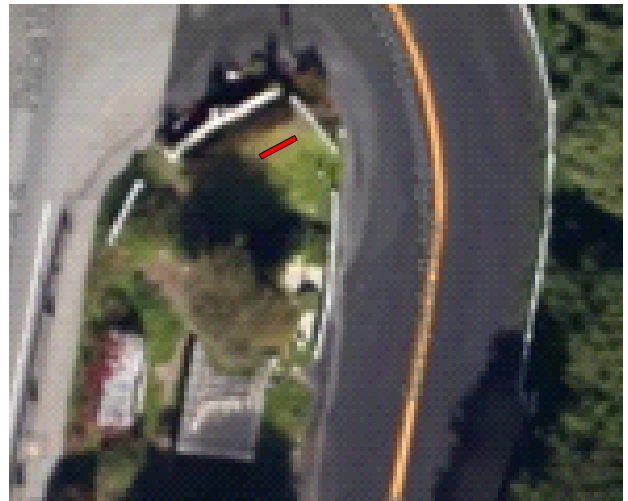

Entry Message Sign - The sign will be 52 inches wide by 40 inches high with 3-inch black lettering on a white background and will include matching mounting posts. The sign is awaiting installation in the Kallish's garage.

2/4/14 - RPV Public Works Engineer, Nicole Jules, provided input on sign placement. The location of underground utilities will limit placement options.

2/14/14 - A Dig Alert was issued to obtain the location of the underground utilities.

2/25/14 & 3/2/14 - The Board considered possible sign locations. The location shown in red was deemed to provide a good viewing angle, maximizes the time to read the contents, and minimizes any hazard to drivers turning into SSRR or slowing to read the sign when traveling up the street to PVDE.

⇒ Bill will schedule installation with Rufino. A Board member will be present during installation.

Message Alert System - A web-based text messaging service is needed to provide an easy to use interface allowing alert messages to be sent by authorized residents with a broad range of cell phone and computer skills. The services are supported by a fee or advertising.

⇒ Jeff M. will create a draft process document describing how the system will be used and who will be authorized to issue alerts.

⇒ Mike will set up a service that is supported by advertising revenue or a fee of up to \$10/month for evaluation by the Board at the next meeting.

Emergency Preparedness Committee - Margie Richards, Bada/Junah Kim, Jack Trost, Traci Gray, and David Barrett have expressed interest in serving on the committee. A kickoff meeting with the Board is scheduled for March 11th.

Contractor Recommendations - The website currently has 5 recommendations. *If you have recently had some work done that you are pleased with, please visit the website (<http://ssrrhoa.com/?p=342>) and enter a recommendation. If you are looking for a contractor, check the website for a recommendation from your neighbors.*

⇒ Jeff G. will add a drywall contractor recommendation

⇒ Chrissy Meisterheim will add a wood floor contractor recommendation

⇒ Bill will add a painter, rug cleaning, tile cleaning and sealing recommendation

Crime - In response to increased crime on the street, the Board is considering improving the signage at the entry of our neighborhood and possibly adding a security camera. Two 18"x24" high-reflectivity Neighborhood Watch signs are proposed to replace the existing 12"x18" non-reflective sign.

12/20/13 - requests for NW signs should be made through the RPV NW Coordinator, Gail Lorenzen.

⇒ Our NW Coordinator, Lorraine Kirk, will contact Gail Lorenzen to get her input.
