⇒ The Board and outgoing Board members will identify updates to the Board Member Responsibilities document to add missing responsibilities and increase detail.

2) Old Business

Status of all ongoing topics was recapped for the new members.

Message Alert System - A web-based text messaging service is needed to provide an easy to use interface allowing alert messages to be sent by authorized residents with a broad range of cell phone and computer skills. The services are supported by a fee or advertising.

⇒ Mike will create a draft process document describing how the system will be used and who will be authorized to issue alerts is needed.

- ⇒ Mike will set up a service that is supported by advertising revenue or a fee of up to \$10/month for evaluation by the Board at the next meeting.

Emergency Preparedness Committee - The initial committee members are David Barrett, Traci Gray, Bada Kim, Margie & Steve Richards, and Jack Trost. David will keep the Board up-to-date on the committee's activities and help to identify any support needed from the Board.

- ⇒ Identify the name for the group that is preferred by members of the group.
- ⇒ Develop a mission statement and/or goals for the group.

Contractor Recommendations - The website currently has 7 recommendations. *If you have recently had some work done that you are pleased with, please visit the website (<http://ssrrhoa.com/?p=342>) and enter a recommendation. If you are looking for a contractor, check the website for a recommendation from your neighbors.*

- ⇒ Jeff G. will add a drywall contractor recommendation
- ⇒ Chrissy will add a wood floor contractor recommendation
- ⇒ Bill will add a painter, rug cleaning, tile cleaning and sealing recommendation

Crime - In response to increased crime on the street, the Board is considering improving the signage at the entry of our neighborhood and possibly adding a security camera. Two 18"x24" high-reflectivity Neighborhood Watch signs are proposed to replace the existing 12"x18" non-reflective sign.

- ⇒ The Board will determine and evaluate locations for the signs.
- ⇒ Chris Madani will be invited to a future Board meeting to share his expertise on security cameras.

Parking Improvement at Aunt Mona's - Our attempts to address the parking problems at Aunt Mona's Care Home have reduced the traffic hazard somewhat. The prevalence of orange cones on the other side of the street indicates there is still a parking problem there, created by employees, visitors, and delivery vehicles. The Board will investigate what additional measures can be taken.

Directory Update - An updated directory will be produced and distributed each year in May, following the assignment of Board member roles at the first Board meeting after the Annual Meeting.

- ⇒ David has produced a draft neighborhood map with color-coded Neighborhood Watch zones and RPV Public Works provided copies of their map. Bob will work with David to select the best map for the directory.

Entry Message Sign - Multiple attempts to obtain larger black letters from the vendor have failed.

- ⇒ Chrissy will try painting a set of 3-inch white letters, received in one of the attempts.

3) Future Topics

Evaluate compliance with the Davis-Stirling Common Interest Development Act and the changes effective in 2012 and 2014.
