

**Monthly Board Meeting Minutes
Sunnyside Community Association
July 10, 2024**

Board Members Present:

Rainer Otto, Mark Groskreutz, Renee Groskreutz, Valeri Cardello, RJ Cardello

No Association Members in Attendance

The meeting location was held on Zoom. Call to order at 6:06 pm.

1. Minutes from the Prior Board Meeting

A motion was made, seconded and approved to approve the minutes from the last documented monthly meeting on July 10, 2024. (A draft of these minutes was already circulated to all members by email).

2. Closure Steps on the Septic to Sewer Conversion Research

After the 2024 Annual Meeting, the HOA membership was surveyed and suggested the Board look into the possibility and barriers of moving toward a central sewer system down Sunnyside Ridge Road. To help research this, Rainer Otto, Renee Groskreutz, Mike Sarullo and RJ Cardello attended meetings with the City of Rancho Palos Verdes Director of Public Works in both May and December 2024. These meetings identified many key issues, high potential costs, and logistical barriers which will be laid out in a final HOA document to retain on file for the membership. (Every 5-10 years the Sewer question seems to resurface among residents and at meetings).

The Board's final recommendation is that the Sewer project is NOT feasible, and the document will be sent to all once finalized.

3. Mail Theft Awareness

A Sunnyside resident saw evidence of mail theft in the area in December and suggested the HOA send safety reminder to all residents to check their mailboxes daily and/or install a locking mailbox. Take packages inside as soon as possible to discourage thieves from targeting homes on our street. Ask neighbors for assistance with packages, newspapers, San Pedro Today magazines, and mail if you are going to be away.

4. Traffic & Visibility at the Top of the Street

The HOA purchased and installed the convex traffic mirror at the top of the street to improve visibility for cars and pedestrians at the top curve in the street. Recently, the HOA's "No Parking" sign was removed from the telephone pole, and the Board agreed to purchase and install a replacement sign to continue to discourage any parking at the top of the street. (Some past parked cars we have documented belong to the Mission Prep or other residential homes across from our entrance on PVDE.) Cars parked near the entrance pose a safety challenge for two oncoming cars going in/out of the street at the same time.

5. Financial Update from the Treasurer (info as of 1/14/25)

	2023/2024 Actuals	2024/2025 Approved Budget	2024/2025 Actuals (thru 01/11)
Income			
Beginning Balance	\$6,241.70	\$6,594.34	\$6,594.34
Income From Dues	\$4,960.00	\$4,420.00	\$4,345.00
City of RPV Grants	\$0.00	\$0.00	\$0.00
Total Income	\$11,201.70	\$11,014.34	\$10,939.34
Expenses

Balance	\$6,594.34	\$6,979.34	\$8,973.54
	(Apr 1, 2024)	(projection for Apr 1, 2025)	(Jan 14, 2025)

6. 2025 Annual Meeting

The 2025 annual meeting was set for Sunday, April 27 at 4pm. All homeowners and residents are invited to attend in person at the Otto Home at 2601, or via Zoom video call. Annual dues will remain at \$85 per home and will be payable by May 1, 2025. Meeting materials, including proxy forms, will be developed and distributed both electronically and via hard copy into mailboxes by March. The Board decided to invite Peninsula Septic to the meeting to go over septic system care, maintenance & repairs.

*****We are looking for new members to join the HOA Board of Directors in May 2025 to replace some of the current volunteer members.*****

7. Vision and Goals for the Sunnyside Community Association

HOA President Rainer Otto suggested we create an HOA vision document that describes what the HOA does and promotes (security, connecting residents, entrance maintenance, etc.) He offered to draft up a document that the Board will work on and present at the Annual Meeting for consideration of the membership.

8. Mission Prep Update

Recently one of the homes near the top of Sunnyside has had multiple incidences of rocks and other small objects being thrown at the house by Mission Prep residents. Over the past two years, Sunnyside neighbors have experienced intermittent problems: Noise heard from the top of the street; sheriff activity at the home blocking traffic; runaway adolescent boys coming down our street and being followed, or not followed, by staff; runaways knocking on doors at the bottom of Sunnyside and asking for help, etc. The City of RPV has instructed residents about what to do in the event of incidents; Valeri will email reporting instructions to all HOA members.

9. “Parking List” of Future Meeting Topics

Staying on top of CalFire Brush clearance requirements

How to energize and connect our HOA Community

Sol Vista empty lot ownership info (In 1992, edges of the lot were deeded to several homeowners to block the ability to build on the main portion).

10. Next Board Meeting

The next Board meeting will be set for Tuesday, February 11 at 7:00 pm on Zoom.

The meeting was adjourned at 7 p.m.
