

Monthly Board Meeting Minutes
Sunnyside Community Association
June 2, 2025

Board Members Present:

Rainer Otto, Renee Groskreutz, Mark Groskreutz, Valeri Cardello, RJ Cardello, Mike Sarullo

The meeting location was held on Zoom. Call to order at 8:32 pm.

1. Annual Election of Officers

Mike Sarullo Groskreutz accepted the position of Member-At-Large on the Sunnyside Community Association Board of Directors. Renee Groskreutz will retain her position of Member-At-Large with a focus helping plan social activities. The following members agreed to retain their current positions: Rainer Otto, President; RJ Cardello, Treasurer; Valeri Cardello, Secretary; and Mark Groskreutz, Vice President. A motion was made and passed to approve these positions.

2. Septic- Follow-Up from the Annual Meeting

Although Matt Dragitch with [Peninsula Septic](#) was unable to speak our annual meeting, HOA President Rainer Otto planned to follow-up with him to obtain tips and maintenance guidelines information that can be shared. Newer homeowners, residents and tenants in our neighborhood will particularly benefit from this information. The Groskreutz family offered to facilitate a brief Q&A with Matt in mid-June. Results will be discussed/published by the time of next HOA meeting.

3. Treasurer's Report

RJ Cardello reported on the status on collecting the annual dues from all members. There were 4 unpaid homes at the time of the meeting, with continued follow-ups by email, phone and texts. The Treasurer is confident that all dues will be paid and collected by the time of the next meeting.

4. Social Event Planning

To support the HOA vision of getting to know your neighbors, Renee and Mark Groskreutz offered to kick off the summer by hosting a social event on Friday, June 13 in their front yard. Snacks, drinks and conversation will be followed by a family friendly movie that can be shown on their garage door "screen." The Secretary will send an HOA email to the entire list of homeowners and residents, and also send an Evite.

The Board discussed ideas for additional social events that can be offered throughout the year including a Bingo party, Afternoon Tea, an Ice Cream Social, or the return of the (adult-only) holiday party. If you have ideas for a social event or would be willing to host an event, please email or call the Board.

5. Traffic & Visibility at the Top of the Street

At the annual meeting, the sharp "S-Curve" at the top of Sunnyside Ridge was brought up as a safety issue and the suggestion was made to to adjust the eastbound/downhill lane at the intersection with

PVDE. The Board members went up and reviewed the layout with a critical eye, but could not come up with any options to make the curve less sharp; there does not appear to have sufficient width to make a material change in the hairpin curve.

→It continues always be very important that there be *No Parking* on either side of the top of the street to allow for the safe the flow of cars in and out of our entrance. (Exceptions to this are the gardeners or those doing maintenance work up top such as Cal Water or phone/internet contractors).

Sometimes, Amazon drivers and people talking on cell phones are sometime seen pulling into our entrance and sitting there with flashers on (or not). As courteously as possible, do ask or gesture to these individuals to move or leave. The Board has put notes on longer term parkers up top based on video camera data; they have typically been associated with homes across the street along PV Drive.

6. Sunnyside Ridge Street Identifier Sign

A resident attending the annual meeting noted that the lettering on the street sign has become difficult to read since the black paint on on the stainless plates behind the words has faded. The Board will buy new paint and will volunteer to repaint the sign sometime this summer.

The President noticed that the lights illuminating the sign the south side of the street seemed to have stopped working, and the Cardellos offered to troubleshoot this issue.

7. “Parking List” of Future Meeting Topics

LA County Fire Hazard and Brush Clearance
How to energize and connect our HOA Community, New Board Members
Safety, Security Cameras, Neighborhood Watch & Related

8. Next Meeting

The next Board meeting will be set for Tuesday, August 5, 2025 at 7:00 pm on Zoom.

The meeting was adjourned at 9:25 p.m.
