The meeting location was held on Zoom. Call to order at 8:30 pm.

1. Minutes from the Prior Board Meeting

A motion was made, seconded and approved to approve the minutes from the last documented monthly meeting on January 14, 2025.

2. HOA Vision Document Review

HOA President Rainer Otto drafted up a vision document to be presented at the 2025 Annual Meeting. At this meeting, we updated the mission statement, values, and homeowner & resident sections. The goal of this document is ultimately help guide the Board and everyone living on the street on how we can all work together to keep the community secure, maintained, and connected together.

3. Resident & Home Ownership Changes

We have several homes that have new rental tenants, or will soon be on the market. The Board would like to say Goodbye to Annette & Criss Gunderson, who have been rental tenants on our street for 10 years. Annette hosted several HOA social events and always provided equipment and entertainment to help us with these annual get togethers. The Gundersons will be deeply missed!

4. Annual Meeting Planning & Meeting Packets

The 2025 annual meeting was set for Sunday, April 27 at 4pm. All homeowners and residents are invited to attend in person at the Otto Home at 2601, or via Zoom video call. Annual dues will remain at \$85 per home and will be payable by May 1, 2025. Meeting materials, including proxy forms, will be developed and distributed both electronically and via hard copy with a target of late March. (The Board decided that it is still valuable to place the annual meeting materials in all of the mailboxes on the street; they act as a visual reminder to pay dues, attend the meeting, and let everyone know they are welcome.) Peninsula Septic will be invited to the meeting to go over septic system care, maintenance & repairs.
