

**Monthly Board Meeting Minutes
Sunnyside Community Association
February 17, 2026**

Board Members Present:

Rainer Otto, Renee Groskreutz, Valeri Cardello, RJ Cardello, Mike Sarullo

The meeting location was held on Zoom. Call to order at 7:02 p.m.

1. Minutes from the Prior Board Meetings

A motion was made, seconded and approved to approve the minutes from the January 23, 2026 Board meeting.

2. Social Events Survey

HOA President Rainer Otto sent out a Google survey to the membership to reach out about the HOA and social events. Only 13 responses were received to date.

3. HOA Reminders and Gifts

To commemorate the start of spring this year, a proposal was made to distribute native flower seed packets to all residents of Sunnyside and Sol Vista. The Board approved of the project and purchase.

The Board also agreed to have an HOA logo item created for distribution at the annual meeting that would be useful and decorative for all residents. The Board approve the purchase of simple dish cloths with Sunnyside Community Association logo embroidery on the towels. Each member home can obtain one as part of the 2026 dues collection/annual meeting process, and any spare towels will be used as giveaway items for future social events (ice cream social, bingo, etc.)

4. Street Entrance Area / Water

A water leak from the sprinkler system at the entrance area was identified on February 12. RJ Cardello reviewed the system and found a second line leak underground near one of the valves. The main above-ground water valve was turned off using a wrench on Feb 13 to stop the leaks. The automated sprinkler system appears to have been non-operational for some time due to missing wiring. The gardener has been turning on the valves manually, or watering with a hose, likely for a year or more.

The Board approved the hiring of a plumbing contractor to re-do the main water valve, fix the leaks, and reinstate an automatic sprinkler system at the entrance area.

5. Street Entrance Area / Landscaping

The cost of monthly gardening increased from \$100 a month, to \$150 a month in January 2026.

Rainer Otto developed a preliminary plan for re-landscaping the “empty” looking areas of the street entrance area using the Chat GPT (AI computer program). The initial plan includes native plants that would help local wildlife and reduce long-term water needs. The Board supports the refinement and development of an updated landscaping plan or plantings.

6. 2026 Annual Meeting Planning

The Board needs to create the draft agenda and meeting materials to distribute in mailboxes for the 2026 annual HOA meeting on **Sunday, April 26, 2026 at 4pm**. The Board discussed requesting a speaker about coyotes and wildlife for the meeting.

7. Book Club – Social Event Idea

Renee Grosskreutz discussed the possibility of inviting all residents to set up a book club for the neighborhood. The Board liked this idea, as attendees would be asked to briefly chat about a book they themselves have read, instead of being assigned to read a specific book, before each meeting.

8. “Parking List” of Future Meeting Topics

- LA County Fire Hazard and Brush Clearance
- How to energize and connect our HOA Community, New Board Members
- Safety, Security Cameras, Neighborhood Watch & Related
- Electrical Wiring to the North Side of the Entrance

9. Next Meeting

The next Board meeting will be set for Tuesday, March 24, 2026 at 7:00 pm on Zoom.

The meeting was adjourned at 7:35 p.m.
