1. Minutes from the Prior Board Meetings

A motion was made, seconded and approved to approve the minutes from the August Board meeting on August 5, 2025.

A second motion was made, seconded and approved to approve the minutes from the last Board meeting on November 18, 2025.

2. 2026 Annual Meeting Planning

The Board discussed the date for the Annual HOA Meeting and decided to continue to hold the meeting on a Sunday afternoon for improved participation, and also avoid the weekends of PVPUSD Spring Break holidays. The date was set for **Sunday, April 26, 2026 at 4pm**. Rainer Otto offered to host the meeting at his home again, and a Zoom option will be provided for remote owners and those unable to attend in person. A speaker on a current topic will be researched and invited; the suggestion of coyote and wildlife management was discussed.

3. Coyote Sightings

In January, HOA President Rainer Otto communicated with all members and residents to ask them about coyote sightings; he received many responses and we thank everyone for their feedback. In addition to two different sets of chickens being victim to coyotes, a treasured pet was also lost. Apparently, the coyote mating season typically causes increased activity each year, and our street has definitely experienced this.

An LA County Animal Control officer visited Rainer's home and provided tips to reduce the risk of coyote activity on the property (fencing, vegetation, etc). Residents should continue uploading any and all coyote sightings or interactions to the [RPV website](#). The RPV City contact for coyote info and potential trapping is Brittany Pena, 310-544-5248 or bpena@rpvca.gov.

4. Social Events Survey

HOA President Rainer Otto drafted a Google survey for the HOA membership to ask them about social events. The Board reviewed his draft and made suggestions. All homeowners, residents and tenants are invited to provide input on the type of event(s) they would be interested in attending, if organized by the HOA or member families.

5. Directory Update & Upcoming Communications

The few homes that were in transition on our street over the past year just recently welcomed new tenants and owners. Valeri will be able to visit the new residents in the next few weeks and publish the new street directory. The directory, as well as the annual meeting info packets, will be put in all SSRR and Sol Vista mailboxes.

6. Entrance Area Gardening

The cost of monthly gardening by Rufino Huerta will increase from \$100 a month, to \$150 a month. The Board felt this price was still a good value. In January, we asked Rufino if he would plant some hedge to improve the look of the entrance area, in the space between the bus shelter and the telephone pole. He agreed to look at it further, and said that the sprinkler system is in need of repair.

7. “Parking List” of Future Meeting Topics

- LA County Fire Hazard and Brush Clearance
- How to energize and connect our HOA Community, New Board Members
- Safety, Security Cameras, Neighborhood Watch & Related

8. Next Meeting

The next Board meeting will be set for Tuesday, February 17, 2026 at 7:00 pm on Zoom.

The meeting was adjourned at 7:50 p.m.
