Quorum was established and meeting was called to order at 7:05 pm by HOA President Rainer Otto.

Actions Items:

Rainer – Board President

- Rainer will send out an invitation for July 4th planting of front entrance to SSRR 8:30-10:00am
- Rainer will gather plants and materials for the planting event.

Val - Secretary

- Will email neighborhood meeting minutes and updates for next Book Club and Dogs and Donuts will be in July (skip June).
- Follow up with City engineer regarding street signage prior to next Board meeting to get an update.

Renee – Social Chair/Co-Secretary

- Will email the approved May meeting minutes for Val to share with neighborhood.

Mike – HOA Webmaster

- Will share a link to the website to get feedback.

Alyssa – Board member at large

- Will brainstorm with Renee potential pool party for SSRR in August.

Collaboration – All Board Members

- Review the website and provide comments to Mike.

Detailed Discussion:

1. Secretary Update

Renee reviewed the meeting minutes from May Board Meeting and motioned for approval. Meeting minutes were approved and will be emailed to SSRR.

2. Treasurer Update

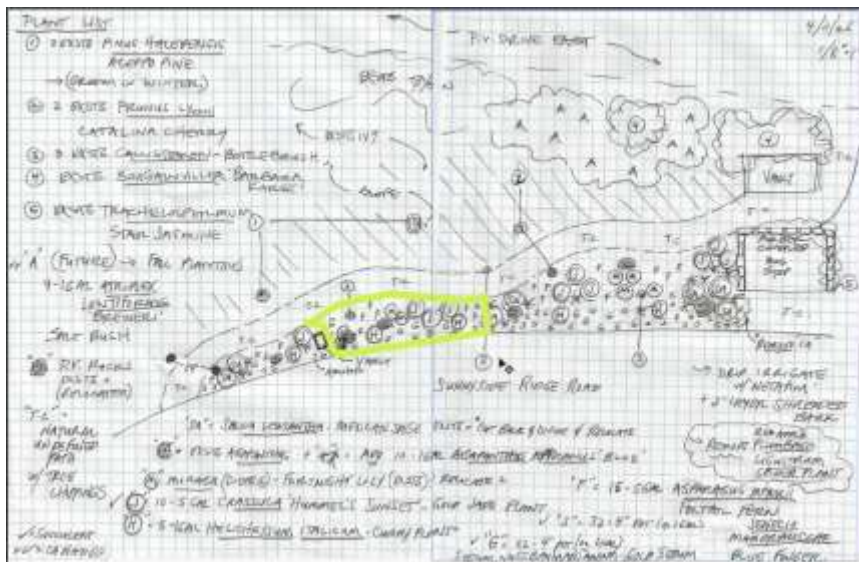

Treasurer RJ Cardello reported \$12,000+ in the HOA bank account and noted 100% of the checks have been received this year.

3. Status: Street Signage to Improve Safety

Val provided an update that the request to evaluate additional signage and evaluate speed requirements had been sent to the City traffic engineer. Val will follow up again with the City before the next meeting.

4. Landscape Project and Next Steps

Rainer shared the landscape plan and focused on area to plant approximately 22 plants in the highlighted area. Estimate to be able to complete in about 1.5 hours. The Board agreed to send out an email blast to invite neighbors to help plant. Rainer will pick up plants, potting soil, lay out flags for where plants go. Mike, Mark S., Renee offered to help plant and will bring shovels. Discussed a good time: perhaps on 4th of July at 8:30-10:00 am.

Sprinkler System: RJ completed the upgrades as of June 23rd at a cost of \$300, including the new controller and fixing all the leaks. Current irrigation schedule is: 10 min per station every second day, 6:45-7:30 pm. There is one spare control valve. The Board will reevaluate watering schedule based on monthly cost and amount of potential overspray.

5. SSRR Website Options

Mike developed a first draft of the updated HOA Website, using the previous website as a guide. There are links to take you to different sites. The site includes the following pages:

- Home
- About
- News
- Emergency Prep
- Crime & Safety
- Historic Photos
- Member Documents – protected with password – governance, meeting minutes, financials, upcoming activities.

Mike requested feedback on the website: <https://sunnysidecommunity.netlify.app/>

Brainstormed some additional items: Calendar, Feedback option, Resource Connection (Haves and Needs). Mike will share a link to this draft website to gather comments from the Board.

This website could be free to maintain (if not excessive) but does not have a specific domain (which would be an additional ~\$15/year). If we want someone else to host it (~\$9/year).

Rainer suggested we want to post meeting minutes, update calendar, post fun photos, post any reports that HOA created (like Septic Information). How difficult would it be to update information? Mike can update information, and it is based on a credit system. If we are updating the site once or twice a month, the free website is appropriate. If we are updating more frequently – we may need to consider paying the fee.

RJ asked if we should consolidate to archive all the meeting minutes and information in one place? Recommend to only keep up to 3 years.

RJ asked the benefits of paying for a domain site. Mike explained it is just for ease of remembering and quick reference. Not necessary with links. Should include link in all SSRR email communications to drive neighbors to the site.

6. Neighborhood Social Activities

Updates for neighborhood social activities are as follows:

- Cancel June activities for Book club and Dogs and Donuts because of summer vacations. We will restart in July.

- 4th of July - neighborhood planting.
- Consider ice cream or social gathering in August before school starts.
- Consider pool party planning. Alyssa and Renee will discuss further.

7. New Business

Sol Vista field has been cleared as of last Monday, June 15, 2026.

Significant noise was experienced on Saturday, June 20th 1pm – 1 am coming from Long Beach at Queen Mary and we should follow up with complaints as indicated in Safety email.

In the future, Ports of Call may add another amphitheater.

Next meeting – July 28th at 7 pm (unless communicated via email otherwise).

Meeting was adjourned at 8:07 pm.
