

**Monthly Board Meeting Minutes
Sunnyside Community Association
March 24, 2026**

Board Members Present:

Rainer Otto, Renee Groskreutz, Valeri Cardello, RJ Cardello, Mark Groskruetz, Mike Sarullo

The meeting was held on Zoom and called to order at 7:04 p.m.

1. Minutes from the Prior Board Meetings

A motion was made, seconded and approved to approve the minutes from the February 17, 2026 Board meeting.

2. HOA Gifts

The actual expenses for the pre-approved flower seed packet distribution and embroidered tea towel projects were finalized and reviewed: \$768 for the tea towels and \$126 for the seed packets. The packets will be distributed to all mailboxes on SSRR and SVL. The tea towels will be distributed as part of the 2026 annual meeting and dues process, to all members.

3. Street Entrance Area / Water

A ballpark estimate of \$1,700 was obtained from a local plumber to get the watering system at the top of the street functional. It will cost approximately \$1,300 to replace 4 sprinkler valves, replace the sprinkler control box, re-wire the items, replace the ball valve unit next to the meter, fix line leaks, and install a new hose bib. The remaining \$400 would change the valve inside the ground box, on the customer side of the piping. Unfortunately, this plumber has not been available to do the work and was unresponsive after the initial estimate. Rainer agreed to request a quote from a contractor he used in the past.

4. Street Entrance Area / Landscaping

Rainer Otto researched several options for landscaping plans and has an upcoming appointment with Rick Dykzeul to review the entrance area. The Board approved the small expense to engage Rick to create a landscaping plan for the entrance area, that will focus on the use of low-water, low-maintenance plants, as well as native plants.

5. 2026 Annual Meeting Planning

The Board drafted up the agenda for the annual meeting, and plans to distribute hard copies of the meeting announcement, proxy document and supplemental materials into mailboxes around April 11.

We hope all members will be able to attend the meeting either in person or via Zoom on **Sunday, April 26, 2026 at 4pm**. A minimum “quorum” of 26 homeowners is needed to conduct HOA annual business, which is mainly approving last year’s minutes, the new budget, and electing new officers.

6. Proposed New Social Events

Renee Groskreutz has come up with two great new ideas to connect our neighborhood. She proposed the creation of a monthly book club that will meet at her house on the third Friday evening of every month.

A second monthly event will be called “Dogs and Donuts” but everyone in the neighborhood is welcome to attend with or without a pet. This event will offer donuts juice and coffee at 8am, followed by a group walk in the neighborhood at 8:30 am. This will take place the last Saturday of each month and be hosted by the Steman Family.

The Board agreed that the “backyard BBQ cookout” we held last year was a great success, and should be repeated. The Groskruetz Family agreed that their front yard is the best place to hold this event again this year (thank you Mark & Renee). The date for this event will be set in mid to late August, likely the weekend before PVPUSD returns back to school.

7. Treasurer’s Update

RJ Cardello provided the Board with an update of this year’s expenses, compared to the prior year’s actual expenses and the budget. Overall, the HOA is running below budget, primarily because we have not yet made any repairs or improvements to the entrance area. However, considerable work needs to be done there, and will be reflected in the 2026-27 budget. Based on the Treasurer’s recommendation the annual HOA dues will remain \$85.

8. “Parking List” of Future Meeting Topics

- LA County Fire Hazard and Brush Clearance
- How to energize and connect our HOA Community, New Board Members
- Safety, Security Cameras, Neighborhood Watch & Related
- Electrical Wiring to the North Side of the Entrance

9. Next Meeting

The next Board meeting will be set for Tuesday, April 21 2026 at 7:00 pm on Zoom.

The meeting was adjourned at 8:35 p.m.
