

6. Restrictions on the Sale, Sharing, or Transfer of ALPR Information:

- a) ALPR information gathered by the *Surveillance Systems* system is contractually owned by the Sunnyside Community Association.
- b) In the event of crimes or other disturbances in the neighborhood, the Sunnyside Community Association shares *Surveillance Systems* information with the LA County Sheriff Department and any impacted homeowners and residents of the HOA.
- c) The Sunnyside Community Association will not sell, publish exchange, or disclose the *Surveillance Systems* information for commercial purposes.

7. Official Custodian: The HOA President of the Sunnyside Community Association is both owner and custodian of the *Surveillance Systems* data it has collected.

8. Accuracy: Although infrequent, license plate translation may be incomplete or inaccurate. System users confirm the computer translation prior to taking any action based on ALPR information. Plate data (state, number) can be verified against the video images from all three cameras. Erroneous entries will be noted and flagged or deleted.

9. Data Retention: The *Surveillance Systems* data shall be retained for based on the capacity of the Systems. LPR and live video which is available for approximately three weeks. For tracking recurring incidents or investigating potential crimes and disturbances, the HOA Board may copy *Surveillance Systems* data to external storage. This data may not be kept longer than two years.

10. Policy Posting & Accessibility: This policy must be posted electronically to the Sunnyside Community Association website. A physical copy of this policy will be displayed in the Sunnyside Community Association notice board cabinet, located directly across the street from the cameras. Signage will be affixed visible at the top of the street that the public is subject to 24-hour surveillance.
