4. Finalized the policy for surveillance

The Board reviewed and finalized the policy for surveillance. The Board discussed reviewing the requirements to submit to the City and confirm this is required. Renee will share red-lined version of the policy with Board.

5. Review draft application for beautification grant

Rainer reviewed the draft Beautification Grant application. The Board provided input on wording and approach to meet the matching funds by “sweat equity” of volunteer time. Rainer will share the draft document for Board to review and provide comment. Mike suggested to review the pre-2014 grant application that was approved. The previous grant was focused on installing the entrance stone wall, lighting, and landscaping. Total planned expenditure is \$3,000 and could apply for \$1,500. Need to ask the City the timing of the grant period and if previous expenditures will be considered or if spending cannot begin until awarded.

6. Finalize plans to launch the website

The Board agreed to launch the website and share via QR code and the password at the BBQ on Saturday.

7. New business

Good news: City engineer replied and indicated that our request was approved – two signs on the speed and center reflecting bumps in the center at the top of the hill.

Attempted burglary update: police report was filed, complaint was submitted to Mission Prep. HOA president will follow up with Mission Prep to make sure they are aware of the incident and ask what they plan to do to reduce risk of it reoccurring. We want to keep our community and residents of Mission Prep safe and respectful.

Unhoused Woman and shopping cart/carriage: several Board members witnessed an unhoused woman on PVE just outside of our neighborhood in the past two days. Concern for person’s safety and garbage left on side of road. She has an umbrella and suitcases. Wait and see if she returns.

Suggestion: Rosa suggested putting together a list of handy numbers as a quick reference. We brainstormed: Sherriff, Fire Station, Ambulance, Mission Prep, Cal Water.

8. Adjourn the meeting

Next meeting will be September 15 at 7 pm (unless communicated via email otherwise).

Meeting was adjourned at 8:34 pm.
